Safety Bulletin # 05 - 05**February 9, 2005**

TO: CAWP/H2AP Members
FROM: Jason Koss, Director of Safety and Education
SUBJECT: OSHA 10-Hour & First Aid/CPR Courses

**CARPENTERS OFFERING
OSHA 10-HOUR & FIRST AID/CPR COURSES
AT YOUR COMPANY'S LOCATION
AT NO COST**

The Carpenters' Training Center – Local # 2274 is offering OSHA 10-Hour and First Aid/CPR Courses to CAWP/H2AP Contractors who employ Carpenters. These courses provide Contractor's Carpenters an opportunity to improve their skills and to learn OSHA construction safety and health standards and/or First Aid/CPR techniques. Please note; it is acceptable for the Contractor's supervisory personnel to attend the training, as long as the majority of the trainees are Carpenters.

LOCATION: Can be conducted at the Contractor's office or other convenient locations (Within the 33 counties of Western Pennsylvania)

COST: Training is FREE to all CAWP/H2AP Contractors who employ Carpenters

DATE / TIME: Based on the Instructor's availability

TO SCHEDULE: Contact Lee Libert at:

Carpenters Training Center – Local # 2274
222 Third Street
Neville Island, PA 15225
Phone: (412) 262-1830 Ext. 5
