Safety Bulletin # 09 - 05
April 26, 2005

TO: CAWP/H2AP Members
FROM: Jason Koss, Director of Safety and Education
SUBJECT: **OSHA 10 & 30 Hour Construction Outreach Courses**

Construction employees at every level will benefit from the OSHA 10 & 30-Hour courses as they apply OSHA policies, standards, and procedures to construction safety and health. Participants will be able to identify the most common hazards found on construction sites, locate the correct standard in 29 CFR 1926, and discuss various construction processes, materials, and equipment. Upon completion, participants will receive an OSHA 10-Hour or 30-Hour certification card. The class will cover topics such as: Crane Safety, Excavation, Fall Protection, and other topics required by OSHA. The OSHA 30-Hour course is at a greatly reduced cost... normal course fees are approximately \$600 and up.
