**RE:** **2008 Construction Camps for Middle School Students**

The Constructors Association is glad to announce the 2008 Construction Camps are being held in two Westmoreland County locations this summer. These week-long camps are for seventh and eighth grade students. Westmoreland County residency is not a requirement.

The activities during the camp will consist of hands-on projects focusing on Carpentry, Masonry, Electrical, HVAC, and Plumbing. Students will also attend field trips to a local highway project and the Operating Engineers Apprenticeship site.

The second annual Construction Camp will be held at the **Eastern Westmoreland Career & Technology Center from June 9-13, 2008** and **Central Westmoreland Career & Technology Center from June 16-20, 2008**. The registration fee is \$25, with lunch and transportation provided from centralized locations.

Registration forms and additional information are available in the guidance offices at each of these locations, as well as online at [www.wcalmc.org](http://www.wcalmc.org). For more information, please contact Heidi Petrosky, Industry Coordinator of the Building & Construction Trades Partnership at (724) 925-4247.
