Penn State Professional Engineers and Contractors Resume Book

The CAWP-sponsored Associated General Contractors of America (AGC) student chapter, Penn State Professional Engineers and Contractors (PSPEC), has provided the Association with copies of their 2008 - 2009 resume book. This book contains resumes of students in the Structural Design and Construction Engineering Technology (SDCET) program at the Penn State Harrisburg campus.

The book is separated into three sections, which provide detailed information on the Penn State, Harrisburg SDCET program, twenty four (24) resumes of graduating seniors, and eighteen (18) resumes of students seeking summer employment in their future profession.

If you would like a copy of the resume book, please call the Constructors Association at (412) 343-8000. PSPEC suggests a \$25 donation for each resume book. Send donations to: **Penn State Harrisburg/CET, 777 W. Harrisburg Pike, Middletown, PA 17057-4898.**

This Education Bulletin may be downloaded at www.cawp.org under EDUCATION. If you have any questions, please call the Association office at (412) 343-8000.
