Education Bulletin #06-08
October 23, 2008

TO: CAWP/H2AP Contractor Members
FROM: Jason Koss, Director of Industry Relations
RE: PennDOT Concrete Technician Certification Program

Pennsylvania Department of Transportation (PennDOT) Concrete Technician Certification Program

The following information lists the course agenda, upcoming schedule of 2009 courses, and where to find additional information on the PennDOT Concrete Technician Certification Program. A 2008/2009 Application Form has been attached to this bulletin for your use.

COURSE AGENDA

The course starts at 8:00 AM and ends at approximately 4:30 PM. The following topics are reviewed prior to the exam: video review of ACI test methods, quality control practices, project documentation, PennDOT acceptance processes, and PennDOT concrete test methods.

WHERE TO FIND ADDITIONAL INFORMATION

Contact Northeast Center of Excellence for Pavement Technology (NECEPT) at 814-863-1293. The Field Technician Initial Certification Requirements, Recertification Requirements, and Application Procedures can be found in the PennDOT Publication 536 (November 2006). The Publication can be found at www.superpave.psu.edu under Training/Certification.

This Education Bulletin may be downloaded at www.cawp.org under EDUCATION. If you have questions, please call the Association office at (412) 343-8000 or email jkoss@cawp.org.

PENNDOT
CERTIFIED CONCRETE FIELD TESTING TECHNICIAN
2008/2009 APPLICATION FORM

Copy this form as needed. Mark the desired category, fill in or attach information as indicated & obtain PENNDOT signatures where noted. Submit by mail a separate copy of this form for each applicant for each certification or course to NECEPT at the address below. Check or money orders must be included for the corresponding total fee payable to Pennsylvania State University. Credit card payments could be conducted through on-line registration only. Applications faxed with a completed credit card form will be accepted. (Note: For approved PENNDOT employees, NECEPT will bill PENNDOT directly.) The applicant can attend the courses after a confirmation of payment and registration is received from NECEPT. Registration will be accepted up to 10 days prior to the course. PennDOT reserves the right to reschedule and/or cancel under-enrolled courses. Applicant has the option to cancel prior to course date. Registration fees will be refunded less a \$15.00 processing fee. Refunds for emergency circumstances will be considered by case. Applicant should allow 3-5 weeks after taking the course and exam to receive the ID. Falsification of information on this form may jeopardize your certification status.

NECEPT mailing address:

Penn State/The Thomas D Larson Pennsylvania Transportation Institute; NECEPT/PENNDOT Concrete Technician Certification Program
201 Transportation Research Building
University Park, PA 16802
