Safety Bulletin #09 - 09
March 31, 2009

TO: CAWP/H2AP Members
FROM: Jason M. Koss, Director of Industry Relations
SUBJECT: National Work Zone Awareness Week

CAWP TO PARTICIPATE IN WORK ZONE AWARENESS WEEK APRIL 6-10

The Tenth Annual National Work Zone Awareness Week will be held April 6-10, 2009. The National Work Zone Awareness Week was started by the Federal Highway Administration in 2000, and is supported by a large network of government and industry partners. The focus of the national campaign is to highlight the dangers to workers and motorists when driving through construction work zones.

The Constructors Association of Western Pennsylvania put together a billboard campaign comprised of children's artwork stressing the importance of workzone safety. **CAWP is asking contractors to help increase this public awareness campaign by placing Variable Message Signs (VMS) along roadways alerting motorists to the issue and hopefully heightening their awareness.**

The message provided for this year's campaign is as follows:

First Flash:

Drive
To
Survive

Second Flash:

Workzone
Safety
Week

CAWP will recognize those contractors who participate by inserting company names and photographs into a CAWP newsletter. **Please send your photos to jodit@cawp.org.**

This Safety Bulletin may be downloaded at www.cawp.org under SAFETY. If you have any questions, please call the Association office at (412) 343-8000.
