Safety Bulletin # 10 - 08

August 21, 2008

TO: CAWP/H2AP Members
FROM: Jason M. Koss, Director of Industry Relations
SUBJECT: Pennsylvania One Call System, Inc. – Western PA Safety Day

2008 PA Safety Day

The Western PA Safety Day is almost here! Pennsylvania One Call Systems, Inc. is bringing the industry to you in 2008 at the Cranberry Township Public Works Facility on Ernie Mashuda Drive in Cranberry, PA. You'll meet people and observe 'get-your-boots-dirty' demonstrations including trench box installation, soil samplings, soft-excavation, ground penetrating radar, locating exercises and trench rescue.

WHAT: Western PA Safety Day

Demonstrations: Electricity: a smoking display of power.

Trench Box Installation: as easy as on-two-three? Maybe?

OSHA: Learn what OSHA looks for at a work site.

Know what's below: the process of marking, what it means and how to excavate without a backhoe.

Trench Rescue: What happens when a trench collapses?

Vehicle Rescue: Is it crunch time?

WHEN: Thursday, September 18, 2008

Where: Cranberry Township Public Works facility, Ernie Mashuda Dr. in Cranberry, PA – Located next to the Cranberry Township Community Park off of Rt. 19, 20-miles north of Pittsburgh.

COST: PA Safety Day is a no-cost high-quality way for you to learn about safety. One of the greatest things about the event is the presentations and demonstrations.

HOW: To register, visit www.PaOneCall.org (purple events button).
