Safety Bulletin #11-09

June 2, 2009

**TO:** CAWP/H2AP Members  
**FROM:** Jason Koss, Director of Industry Relations  
**SUBJECT:** **OSHA's Pittsburgh Office to Focus on Stimulus-Funded Highway and Bridge Construction Projects**

The Pittsburgh Area office of the U.S. Department of Labor's Occupational Safety and Health Administration (OSHA) has informed the Association that it intends to launch a program in western Pennsylvania aimed at reducing workplace hazards on highway and bridge construction projects funded by the American Recovery and Reinvestment Act (ARRA) of 2009.

Under the program's guidelines, OSHA will receive ARRA funds that will be directed toward enhanced and targeted enforcement, hiring additional inspectors, technical assistance and outreach, and construction data collection. For additional information on OSHA's role in the ARRA of 2009, visit <http://www.osha.gov/dts/recovery/index.html>

CAWP is committed to assisting contractors in keeping jobsites safe and productive by offering services and products such as a wide-range of safety training courses, posters, OSHA manuals, and more. Attached is a list of safety and health services provided by CAWP or visit our website at [www.cawp.org](http://www.cawp.org) under Safety.

This Safety Bulletin may be downloaded at [www.cawp.org](http://www.cawp.org) under **SAFETY**. If you have any questions or if you are interested in receiving future Safety bulletins via email, please contact Jason at the Association office at (412) 343-8000 or email [jasonk@cawp.org](mailto:jasonk@cawp.org).
