**Safety Bulletin # 17 - 08
December 18, 2008**

TO: CAWP/H2AP Contractors
FROM: Jason M. Koss, CSP, Director of Industry Relations
RE: **New Federal and State Crane Standards Seminar**

Are you prepared for the proposed federal crane safety rules and Pa's crane operator licensure act?

Constructors Association is providing you with an opportunity to learn how these new federal and state crane rules will change the industry and will ultimately affect your company. This seminar is for managers, safety officers, superintendents, or anyone who is responsible for overseeing the safe operation of a crane.

Presenters:

Bill Davis, ALCM, CPCU, CSP - Bill Davis, senior risk engineering consultant for Zurich Services Corporation, is a civil engineer and practicing in the area of construction safety for over 30 years. He is a Certified Safety Professional (CSP) and holds numerous other professional designations. For the past eight years, Bill has specialized in crane safety. He had provided crane safety training to thousands of engineers, managers, safety directors and operators throughout the United States.

Charles Yorio, CSP with Wells Fargo Insurance – Charles is a member of the Crane and Derrick Negotiated Rulemaking Advisory Committee (CDAC) representing the insurance industry. Charles will provide a brief summary of the CDAC process and how the proposed regulations were drafted.

Jack Pletcher with the Operating Engineers Local # 66 - Jack conducts local CCO courses and serves as a Commissioner on the National Commission for the Certification of Crane Operators (NCCCO). Jack will answer questions regarding local CCO training efforts and the Pennsylvania crane licensure act, HB 647.
