Safety Bulletin # 18 - 08
December 30, 2008

TO: CAWP/H2AP Members
FROM: Jason M. Koss, CSP, Director of Industry Relations
SUBJECT: Flagger Train-The-Trainer Course

IF YOUR PERSONNEL ATTENDED FLAGGER TRAINING IN 2006... NOW IS THE TIME FOR RE-TRAINING

CAWP is offering training to assist contractors in complying with PennDOT's mandatory Flagger Training specifications which states that flaggers and flagger trainers must be re-trained every three years to comply with PENNDOT guidelines.

WHO MUST BE TRAINED

PennDOT specifications require that all flaggers or any other contractor personnel who will be performing flagging duties successfully complete a flagger training course.

WHAT WILL BE TAUGHT

The *APC/PennDOT Flagger Train-the-Trainer* course will cover fundamental principles of work zone traffic control, buffer space, visibility to approaching drivers, nighttime flagging, in addition to teaching skills and adult learning. Students must also pass a written test.

MARK M. HOOD – FLAGGER TRAIN-THE-TRAINER INSTRUCTOR

In addition to serving as the instructor for APC's flagger trainer course from its inception on January 1, 2003, Mark serves as a project engineer with Pennoni Associates in State College. He spent several years prior to that as a traffic safety engineer for LTAP – The Pennsylvania Local Roads Program, where he provided training and technical assistance to Pennsylvania's 2,500 local governments to help define and solve their traffic engineering and highway safety problems. Mark has a Bachelor of Science degree in Engineering from Swarthmore College and a Master of Science degree in Civil Engineering from Villanova University.

WHAT IS INCLUDED

- Wallet-size cards verifying course completion;
- CD containing the presentation used to teach flagging procedures to employees; and
- Continental breakfast and lunch.
