RE: **PennDOT EO-400 Reports - Suspended**

IMPORTANT EEO REPORTING CHANGE – EO-400 REPORTS DO NOT NEED SUBMITTED

CAWP has been notified by PennDOT that the submission of the “Highway Construction Contractors Monthly EEO Report” (EO-400) has been suspended, effective immediately. The purpose of the report had been to capture monthly employment work hour data by project.

Contractors are still required to maintain the information necessary to complete the EO-400 Reports. The reports shall be made available for inspection at the request of authorized Department and FHWA representatives within a reasonable timeframe. Prime contractors have the responsibility to ensure that subcontractors working on federal, state, and municipal projects are made aware of this PennDOT EEO reporting change and other EEO program requirements.

Specific questions may be directed to Bill Kerney, Chief, Contract Compliance Division, Bureau of Equal Opportunity at 717-783-1038 or 800-468-4201.

This EEO Bulletin may be downloaded at www.cawp.org under EEO. If you have any questions, please contact the Association at (412) 343-8000.
