CAWP Safety Bulletin #2-21

February 2, 2021

CAWP's winter/spring educational courses will be conducted through a virtual provider like Zoom or online through our new learning management system. Check our website for up-to-date course offerings and registration information at www.cawp.org.

Silica - Competent Person -

February 18 (8 a.m. to 10 a.m.)

Course is designed to educate employees who may be designated as competent persons and to review the OSHA Silica standard and its requirements.

Respiratory Protection –

February 23 (8 a.m. to 10 a.m.)

Course is designed to educate employees on the OSHA Respiratory Protection standard and its requirements. Attendees will review the methods of selection, use, care, proper fit, and medical clearance of respirators.

Confined Space Entry - Competent Person –

March 4 (8 a.m. to 10 a.m.)

Course is designed to educate employees who may be designated as competent persons and to review the OSHA Confined Space standard and its requirements. Attendees will review testing procedures and equipment to be used; as well as the physical characteristics, configuration, and location of confined spaces on projects.

Audience: Project managers, foreman & supervisors, craftpersons, and safety professionals.

Instructor: Del Kubeldis, Amerisafe.

Cost: \$25 per course, attendees will receive a pdf certificate and a link to course materials (if applicable).

Register: Online at cawp.org under Events. If you have registration questions, call the Association office at (412) 343-8000. No refunds will be issued for cancellations received three days prior to the course date.

This Safety Bulletin may be downloaded at www.cawp.org under Services/Safety. If you have any questions, please contact Jason at the Association at (412) 343-8000 or email jasonk@cawp.org.

Notice: Western PA Heavy & Highway Construction Industry Advancement Program fees may be deducted as a business expense but not as a charitable contribution. Effective January 1, 2021, 1.639% of such fees are not deductible in accordance with IRC Section 6033.
