## REMINDER: Work Zone Awareness Week - April 26-30

Our industry actively supports the National Work Zone Awareness Week and participates in outreach efforts to educate the traveling public about dangers of driving through work zones.

National Work Zone Awareness Week (NWZAW), in its 21st year, is a national public awareness campaign that spreads the message that we are all responsible for work zone safety.

This year's NWZAW is April 26-30, 2021 with the theme of “ **Drive Safe. Work Safe. Save Lives.**”

#### How can you participate in work zone awareness week?

1. Hold a safety stand-down on Preventing Struck-By Incidents – visit our [resource page](#) and stand-down [planning tools](#).
2. **Support “Go Orange Day” on Wednesday, April 28 by wearing orange.** Spread the message of work zone safety with your friends, family and community and by liking, commenting and sharing on social media using the hashtags **#CAWPWZSAFETY**, **#NWZAW** and **#GoOrange4Safety**.
3. Display the 2021 NWZAW [poster](#)
4. Distribute the CAWP NWZAW [flyer](#)

## Featured Professional Construction Leader Video - Advanced Strategies in Delegation

**Advanced Strategies in Delegation** focuses on how a field leader can let go of more to get more done. Getting people to do what they are capable of requires maximum delegation. The problem? Field leaders are used to doing it themselves. In many instances, this creates enabling behaviors or allows employees to take the easy way out by depending on their field leader to do more than is necessary. Field leaders need to have the tools to delegate effectively and aggressively while not compromising a project's schedule or quality.

Take advantage of this and other videos in the **Professional Construction Leader** series, presented by Mark Breslin of Breslin Strategies – online at the CAWP Member Portal.
