SPONSOR

Registration deadline has been extended!

If you still need to register to attend, the deadline has been extended until Monday, January 10, 2022.

REGISTER

If you plan to attend, please note the current safety protocols for Heinz Field:

Masks are required for guest entry into Heinz Field. Once inside the UPMC Club, masks can be

removed upon eating and drinking. Heinz Field will comply with all CDC, state, and local government regulations related to public health and safety. All protocols would be communicated as soon as any changes would occur.

Submit your Company's 2021 Project Photos to Share at the CAWP/H2AP Annual Membership Reception & Monte Carlo.

HOW TO SUBMIT:

1. Submit a Maximum of 3 photos- MUST BE jpg, tiff or png files
2. Image files should be saved with your company name in them
3. Deadline to submit: **Monday, January 10, 2022**

SUBMIT PHOTOS

Get Recognized for Your Company's Safety Achievements

Plan to submit your company's safety statistics for both the CAWP/H2AP Safety Awards and the AGC NASA Safety Awards programs in January. The entry forms were combined so that you submit only one form. Most of the information comes from your company's 2021 OSHA Form 300A.

CAWP/H2AP Safety Awards Program

The CAWP/H2AP Safety Awards program recognizes companies for their safe work performance in western Pennsylvania during the 2021 season. The award is an opportunity to receive well-deserved recognition from your peers in the industry. Awards are based on each company's Lost Workday Incidence Rate. Awards will be presented at the annual CAWP/H2AP Safety Banquet on March 25,

2022.

Note: The CAWP/H2AP Safety Award represents heavy, highway, railroad and utility work performed within the 33 counties of western Pennsylvania.

National AGC Safety Awards (NASA) Program

The AGC of America's National AGC Safety Awards (NASA) program provides AGC members an opportunity to evaluate their safety record. Participating contractors receive a confidential printout to compare their company's safety statistics with similar size and type AGC contractor members both locally and nationally. Safety awards are given to members who have a zero incident rate or who have an incident rate 25 percent below each occupational division's average. Awards will be delivered in the spring of 2022.

Note: The AGC NASA program is for AGC/CAWP members only. If you are unsure of your membership status, submit the electronic form and CAWP will determine eligibility. Also, companies must participate in the NASA program for three (3) consecutive years to be eligible for awards.

To Participate in One or Both Safety Awards Programs

Please submit by February 9, 2022.
