

Issue #02-22 | January 10, 2022

REMINDER - Pre-Job Information Forms

Please be aware, in accordance with the CAWP Bargaining Agreement, contractors must provide the Association with a completed Pre-Job Information Form that will be distributed to all Unions no later than 14 days prior to the project starting.

In order to provide a more efficient way for contractors to complete and submit Pre-Job Information Forms, an electronic version of the form is available on the Association's website, which can be automatically sent to the Association.

- Go to the Association's website at <u>cawp.org</u>
- Using your cursor, hover over "Services" in the top navigation until a drop-down menu appears
- Select "Pre-Job Information Form" under the heading "Labor"
- Complete the form and click "Submit" at the bottom of the page.

If you have any questions, please contact the Association at (412) 343-8000.

Resume Available

CAWP received a resume for an individual from Irwin with experience in general labor, landscaping, mechanic, etc.

Contact Erin Giardina at CAWP at ering@cawp.org or 412-343-8000 for a copy.

Get Recognized for Your Company's Safety Achievements

Plan to submit your company's safety statistics for both the CAWP/H2AP Safety Awards and the AGC NASA Safety Awards programs in January. The entry forms were combined so that you submit only one form. Most of the information comes from your company's 2021 OSHA Form 300A.

CAWP/H2AP Safety Awards Program

The CAWP/H2AP Safety Awards program recognizes companies for their safe work performance in western Pennsylvania during the 2021 season. The award is an opportunity to receive well-deserved recognition from your peers in the industry. Awards are based on each company's Lost Workday Incidence Rate. Awards will be presented at the annual CAWP/H2AP Safety Banquet on March 25, 2022.

Note: The CAWP/H2AP Safety Award represents heavy, highway, railroad and utility work performed within the 33 counties of western Pennsylvania.

National AGC Safety Awards (NASA) Program

The AGC of America's National AGC Safety Awards (NASA) program provides AGC members an opportunity to evaluate their safety record. Participating contractors receive a confidential printout to compare their company's safety statistics with similar size and type AGC contactor members both locally and nationally. Safety awards are given to members who have a zero incident rate or who have an incident rate 25 percent below each occupational division's average. Awards will be delivered in the spring of 2022.

Note: The AGC NASA program is for AGC/CAWP members only. If you are unsure of your membership status, submit the electronic form and CAWP will determine eligibility. Also, companies must participate in the NASA program for three (3) consecutive years to be eligible for awards.

To Participate in One or Both Safety Awards Programs

Please submit by February 9, 2022.
