6TH ANNUAL CAWP STUDENT ESTIMATING COMPETITION

CAREER FAIR

SATURDAY, FEBRUARY 12 FROM NOON – 3:00 P.M.

Boost Your Company's Competitive Edge at the CAWP Student Estimating Competition

The 6th Annual CAWP Student Estimating Competition will be held February 11 & 12, 2022 at the Regional Learning Alliance in Cranberry Township, PA. In conjunction with the competition, a career fair will be held on Saturday, February 12 from noon – 3:00 p.m. Several Estimating Competition student participant alumni have been hired by CAWP contractors since the event's inception. This year's program again promises to bring together a group of 45 to 60 motivated students from the following schools:

Carnegie Mellon University
Penn State University
Penn State University – Harrisburg
The University of Pittsburgh
The University of Pittsburgh – Johnstown
West Virginia University

If your company is interested in participating in this career fair, please contact Erin at ering@cawp.org , Jason at jasonk@cawp.org or call the Association at 412-343-8000.

VIRTUAL SEMINAR TOMORROW SAFETY & RISK MANAGEMENT SOFTWARE

**Virtual Seminar on Safety & Risk Management Software
Tomorrow!**

CAWP is exploring a partnership with a provider of a web-based software suite of safety and risk management tools. Through this partnership, CAWP would offer software to those members who express interest.

Join us tomorrow, January 25 from 9:00 – 10:00 a.m. to learn more. CAWP will then follow up with each participant to gauge interest in an Association offering of this service.

[REGISTER](#)

The platform includes:

- Safety Library – programs, documents, and training programs
- Online Training - numerous courses on construction safety, HR (diversity & harassment), etc.
- Incident Management Tools – safety audits, OSHA reporting, etc.
- HR Compliance Solutions – tools to assist with compliance

If interested in learning more, check out these two documents:

Get Recognized for Your Company's Safety Achievements

Plan to submit your company's safety statistics for both the CAWP/H2AP Safety Awards and the AGC NASA Safety Awards programs in January. The entry forms were combined so that you submit only one form. Most of the information comes from your company's 2021 OSHA Form 300A.

CAWP/H2AP Safety Awards Program

The CAWP/H2AP Safety Awards program recognizes companies for their safe work performance in western Pennsylvania during the 2021 season. The award is an opportunity to receive well-deserved

recognition from your peers in the industry. Awards are based on each company's Lost Workday Incidence Rate. Awards will be presented at the annual CAWP/H2AP Safety Banquet on March 25, 2022.

Note: The CAWP/H2AP Safety Award represents heavy, highway, railroad and utility work performed within the 33 counties of western Pennsylvania.

National AGC Safety Awards (NASA) Program

The AGC of America's National AGC Safety Awards (NASA) program provides AGC members an opportunity to evaluate their safety record. Participating contractors receive a confidential printout to compare their company's safety statistics with similar size and type AGC contractor members both locally and nationally. Safety awards are given to members who have a zero incident rate or who have an incident rate 25 percent below each occupational division's average. Awards will be delivered in the spring of 2022.

Note: The AGC NASA program is for AGC/CAWP members only. If you are unsure of your membership status, submit the electronic form and CAWP will determine eligibility. Also, companies must participate in the NASA program for three (3) consecutive years to be eligible for awards.

To Participate in One or Both Safety Awards Programs

Please submit by February 9, 2022.
