INDUSTRY ASSOCIATIONS CALL ON GOVERNOR/LEGISLATURE TO END SHIFT OF ROAD FUNDS TO GENERAL FUND

Industry Associations Call on Governor/Legislature to End Shift of Road Funds to General Fund

ACPA/PA Chapter, ACEC/PA, APC, CAEP, CAWP, PACA, PAPA, and PennGCC once again are calling on Governor Wolf to permanently move the entire Motor License Fund portion of the State Police budget back to the General Fund. (FY 2023 - \$641.39 million) and to use Motor Vehicle License Fund revenues to fund PennDOT's pay-as-you-go capital program and/or as debt service retirement.

The current state budget diverts more than 11 cents per gallon of the state's gas tax away from road improvements. Since the 2013 passage of Act 89, some \$5 billion in user fees have been diverted to the General Fund to supplement the State Police budget.
