WORK ZONE AWARENESS WEEK

Our industry actively supports the National Work Zone Awareness Week and participates in outreach efforts to educate the traveling public about dangers of driving through work zones.

National Work Zone Awareness Week (NWZAW), in its 22nd year, is a national public awareness campaign that spreads the message that we are all responsible for work zone safety.

This year's NWZAW is April 11-15, 2022 with the theme of **“Work Zones are a Sign to Slow Down”**

How can you participate in work zone awareness week?

1. Hold a safety stand-down on Preventing Struck-By Incidents – visit our [resource page](#) and stand-down [planning tools](#).
2. Support “Go Orange Day” on Wednesday, April 13: Wear orange to show your support. Spread the message of work zone safety with your friends, family and community and by liking, commenting and sharing on social media using the hashtags [#CAWPWZSAFETY](#), [#NWZAW](#) and [#GoOrange4Safety](#).
3. Display the 2022 NWZAW [poster](#). (download from our website)

This Safety Bulletin may be downloaded at www.cawp.org under [Services/Safety](#). If you have questions, contact Jason Koss at the Association office at (412) 343-8000 or jasonk@cawp.org.
