

CAWP WEEKLY

Issue #14-22 | April 4, 2022

MEMBERSHIP & SAFETY *Celebration* EVENT RECAP

Oh, What a Night at the CAWP/H2AP Membership & Safety Celebration

The CAWP/H2AP Membership & Safety Celebration took place on Friday, March 25 at Heinz Field. With over 500 attendees, this was the largest association event in over two years. To see what you missed, check out our event recap!

WORK ZONE AWARENESS WEEK

APRIL 11-15

Work Zone Awareness Week - April 11-15

Our industry actively supports the National Work Zone Awareness Week and participates in outreach efforts to educate the traveling public about dangers of driving through work zones.

National Work Zone Awareness Week (NWZAW), in its 22nd year, is a national public awareness campaign that spreads the message that we are all responsible for work zone safety.

This year's NWZAW is April 11-15, 2022 with the theme of “**Work Zones are a Sign to Slow Down.**”

How can you participate in work zone awareness week?

1. Hold a safety stand-down on Preventing Struck-By Incidents – visit our [resource page](#) and stand-down [planning tools](#).
2. Support “Go Orange Day” on Wednesday, April 13: Wear orange to show your support. Spread the message of work zone safety with your friends, family and community and by liking, commenting and sharing on social media using the hashtags #CAWPWZSAFETY, #NWZAW and #GoOrange4Safety.
3. Display the 2022 NWZAW [poster](#). (download from our website)

Construction Market Symposium- PRESENTATION ADDED

CAWP received submissions from representatives of 13 awarding agencies, who discuss the projects they have for bid this calendar year.

The U.S. Army Corps of Engineers' presentation has been added to the ones already available from the Allegheny County Airport Authority, Allegheny County Department of Public Works, ALCOSAN, PennDOT Districts 1, 2, 9, 10, 11 & 12, Pennsylvania Turnpike, Port Authority, and Pittsburgh Water & Sewer Authority. You can view the pre-recorded presentations at your convenience or download a copy of the PDF if you prefer.

If you have any questions, please reach out to the representative directly, or contact Erin at CAWP (ering@cawp.org) to put you in touch with that awarding agency.

CAWP thanks all the awarding agencies for taking the time to record and submit their presentations.

2022 CONSTRUCTION MARKET SYMPOSIUM

CAWP Provides Future Engineers with Industry Exposure

On Monday, March 21, nine civil engineering students from the University of Pittsburgh at Johnstown and Carnegie Mellon University attended an outing to learn more about the construction industry.

First up was a visit to Mosites Construction Company where Jason Malatak, Director of Risk Management, spoke with the student group over lunch about career choices and opportunities.

Next, students traveled to the Carpenters Training Center for a two-hour walking tour through each of the program's eight learning environments. Jay Johnson, Heavy/Highway Training Instructor, and Rich Paganie, Director of the Carpenters' Pittsburgh Training Center, led the tour and fielded questions.

Joining the group was Nathan Miller of Northeast Paving, who serves as CAWP CLC Chair, Josh Fetcko of Plum Contracting, CAWP CLC Vice Chair, along with CAWP Executive Director Rich Barcaskey and CAWP Director of Industry Relations Jason Koss.

These field trips are part of CAWP's efforts to develop the industry's future workforce. If your company would like to host a tour of your offices or a project, contact the Association.
