Issue #15-22 | April 11, 2022

**CAWP EXECUTIVE DIRECTOR RICHARD J. BARCASKEY**  
*appointed to the*

**PENNSYLVANIA STATE TRANSPORTATION ADVISORY COMMITTEE**

### Executive Director Appointed to State Advisory Post

The Association would like to announce that CAWP Executive Director Richard J. Barcaskey has been appointed to the Pennsylvania State Transportation Advisory Committee.

The Pennsylvania Transportation Advisory Committee (TAC) was created in 1970 to advise the State Transportation Commission (STC) and the PennDOT Secretary of Transportation. TAC consults and advises the STC and the Secretary of Transportation on all transportation modes while serving as a connection between PennDOT and the general public. Additionally, TAC spreads awareness about the transportation planning, programming, and goals of PennDOT and the STC and conducts in-depth studies on key issues to inform the planning process.

*Congratulations on your appointment, Rich!*

**WORK ZONE AWARENESS WEEK**

# STARTS TODAY

## Work Zone Awareness Week Starts Today

This year's NWZAW is April 11-15, 2022 with the theme of “**Work Zones are a Sign to Slow Down.**”

How can you participate in work zone awareness week?

- Hold a safety stand-down on Preventing Struck-By Incidents – visit our [resource page](#) and stand-down [planning tools](#).
- Support “**Go Orange Day**” on Wednesday, April 13: Wear orange to show your support. Spread the message of work zone safety with your friends, family and community and by liking, commenting and sharing on social media using the hashtags #CAWPWZSAFETY, #NWZAW and #GoOrange4Safety.
- Display the 2022 NWZAW [poster](#). (download from our website)

Please submit photos of your participation to [jodit@cawp.org](mailto:jodit@cawp.org) to be featured in next week's CAWP Weekly newsletter!

# WZAW TRAINING OPPORTUNITIES

# THIS WEEK

## Training Opportunities for Work Zone Awareness Week

To support the National Work Zone Awareness Week, the Center for Construction Research and Training (CPWR) and the NORA Construction Sector Council Struck-by Work Group is hosting a series of webinars covering topics on preventing struck-by incidents in work zones and by heavy equipment.

**TODAY: April 11, 2022 at 1 p.m. ET–** [Preventing Struck-by Incidents in Roadway Work Zones](#)

**April 13, 2022 at 2 p.m. ET –** [What's the Risk? Best Practices to Reduce the Likelihood of Struck-by Injuries from Heavy Equipment and Crane Activities](#)

## Student Resume Books Available

Resume books that include the resumes of all the students who participated in the recent CAWP Student Estimating Competition are available. Students from Carnegie Mellon University, University of Pittsburgh, University of Pittsburgh at Johnson, Penn State University – Harrisburg, Penn State University – University Park, and West Virginia University are represented. The books include over 40 resumes from these students, who are seeking internships or full-time positions.

A limited number of hard-copy books are available. Should you wish to have a hard copy, please contact the Association office.

Alternatively, you may [click here](#) for a searchable pdf of the resume book.

## CAWP + AGC

In 1939, **CAWP** was granted a full charter with the **Associated General Contractors of America (AGC)**, the largest and oldest national construction trade association in the United States. Established in 1918, AGC is the most respected voice of the construction industry in the U.S. Congress and has continued to enhance its reputation for being the respected voice of the construction industry in Washington, D.C. Your membership in CAWP includes membership in AGC. Please watch this section in the CAWP Weekly to stay up-to-date on the news, events, and member benefits from AGC and other AGC chapters.

**Help AGC Improve Highway Work Zone Safety by**

# Completing the 2022 Highway Work Zone Safety Survey by Friday, May 13

**AGC and Survey Partner HCSS Will Use Survey Results to Urge Motorists to Be Careful During the Summer Travel Season**

AGC of America and its survey partner, [HCSS](#), are asking all highway and transportation members help us improve work zone safety by completing this brief [survey](#). AGC wants to collect information on the number, severity, impacts and potential solutions to highway work zone crashes. The results of this survey will be used for a media and public education campaign launching the week before Memorial Day to encourage motorists to be more careful in work zones.

Please take a few minutes to complete this important highway work zone safety survey **by May 13th**. Contact Brian Turmail at 703-459-0238 or [brian.turmail@agc.org](mailto:brian.turmail@agc.org) with any questions, comments or concerns about this survey and plans to use it to promote highway work zone safety.
