***CAWP is proud to announce the CAWP Cares program for the summer of 2022.***

The Association respects the hard work and dedication of the men and women on job sites. The CAWP Cares program includes a drawstring bag filled with items specifically selected for these workers' physical and mental well-being. The package is designed to help recipients take care of themselves physically and mentally on the job. Included in the bag are practical items to have one hand while working out-of-doors, safety accessories, and an insert with stress-reduction techniques.

There is a nominal charge of \$5.00 per care package, valued at \$20.00. All monies raised through this program will go directly into the Brandon Chaney CLC scholarship fund. Developed in 2008 by the CAWP Constructors Leadership Council (CLC), this scholarship was named in memory of Brandon Chaney, an aspiring third-generation heavy/highway construction professional who died at the age of 16 in an automobile accident. The scholarship is awarded yearly to the top-ranking first-year apprentice in each of the four heavy and highway apprenticeship programs in western Pennsylvania.

Members who sign up for the CAWP Cares program will also have a chance to win coffee and donuts delivered to a specified job site by CAWP employees.
