

CAWP WEEKLY

CAWP Weekly #47-22

November 21, 2022

Eat Drink and Be Merry at the CAWP CLC Toy Drive

The CAWP CLC Toy Drive collection dates are fast approaching! If you are planning to drop off donations during the collection times next week, be sure to allow time to eat, drink and be merry! The CAWP office will double as Santa's workshop on **Thursday, December 8 from 9:00 a.m. to 4:00 p.m. and Friday, December 9 from 9:00 to 11:00 a.m.** The festivities will include refreshments, music, and fun!

TOY DRIVE INFORMATION

COLLECTION BIN SIGN

Donations should be dropped off at CAWP's office located at 800 Cranberry Woods Drive, Suite 110, Cranberry Township, PA 16066. **Companies making large donations of toys and gifts should use the loading dock entrance on the right side of the building.** Monetary donations may be made by checks payable to Salvation Army. These can be mailed to CAWP or dropped off during the scheduled donation drop-off times.

Should you have any questions, please contact Emily at emilym@cawp.org or Erin at ering@cawp.org.

Aggregate Technician Certification Program

Aggregate Technician Certification Program (PennDOT/NECEPT)

PennDOT requires that all testing and sampling of aggregate

Event Details:

Schedule: courses will be held from December 2022 through March 2023

Location: in person at PennDOT's Materials Testing Lab in Harrisburg, PA.

Fees: \$90; renewal card/retest is \$35.

Publication 725: Aggregate Technician Certification

MORE INFO

REGISTER

be performed by an individual who completes this certification program.

This certification program will review aggregate testing and general information necessary to qualify as a certified aggregate technician. This course will address the day-to-day testing, record keeping, and quality control requirements necessary for an aggregate to meet PennDOT specifications. This course will address inherent properties of aggregate materials that influence quality test results. It will also review PennDOT specification documents and procedures including actions resulting from quality failures.

Space Still Available for OFCCP Compliance Virtual Info Sessions

Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) proudly invites the construction industry to attend these upcoming virtual information sessions.

"Are you in Compliance with OFCCP's – Construction Regulations?"

As the Agency resumes its footprint within the construction industry with upcoming compliance review audits, this is the time to attend this training or a refresher on what documents you need to maintain to demonstrate your Affirmative Action/EEO Obligations under 41 CFR 60-4 and what to expect during a construction compliance review?

Valuable information will be provided to assist with these federal regulatory requirements. This virtual event is free for the construction industry, but space is limited. Each session will cover the same information.

REGISTER

Upon registration, you will receive information on how to join the event via WebEx. Please feel free to submit any questions ahead of time to Marlene Williams at williams.marlene@dol.gov.

New Jersey Ordered by Feds to Get Rid of Funny Safety Messages: 'Hocus Pocus Drive with Focus'

Federal highway officials were not pleased with New Jersey's funny digital messages and road warnings and ordered the state to take them down.
