DECEMBER 14 & 15

Mental Health Initiative Kickoff with CAWP & MBA

The Constructors Association of Western PA has teamed up with Master Builders' Association to pilot a program offering mental health solutions to our members and their employees.

Youturn Health is a virtual support program designed to help individuals and family members dealing with behavioral health, substance misuse, and suicide.

Through its confidential virtual program, Youturn focuses on harm reduction and behavioral modification to encourage taking the first steps toward recovery.

Youturn provides easy access to private support at any time and at any stage of the recovery journey.

Success Through...

Education

Online learning management system has the largest video library of education, inspiring stories, and insights about substance abuse and suicide.

Peer Coaching

Peer coaches are state-certified, NAADAC-credentialed and specially trained in assertive engagement principles by the nation's leading recovery support experts.

Care Management System

The platform is a fast and secure way to communicate with trained professionals while streamlining suicidal and substance use risk analysis. It helps those in recovery identify where they are in their journey.

YouTurn is changing the way people view mental health assistance. To learn more about this exciting pilot and how you and your employees can access the program, join us for one of the two Microsoft Teams informational sessions being offered on December 14 and 15 at 2:00 p.m.

Please contact CAWP with any questions at 412-343-8000.

DETAILED REGISTRATION INFO

Safety Awards Programs – Get Recognized for Your Company's Safety Achievements

Plan to submit your company's safety statistics for both the CAWP/H2AP Safety Awards and the AGC NASA Safety Awards programs in January. The entry forms were combined so that you submit only one form. Most of the information comes from your company's 2022 OSHA Form 300A.

CAWP/H2AP Safety Awards Program

The CAWP/H2AP Safety Awards program recognizes companies for their safe work performance in western Pennsylvania during the 2022 season. The award is an opportunity to receive well-deserved recognition from your peers in the industry. Awards are based on each company's Lost Workday Incidence Rate. Awards will be presented at the annual CAWP/H2AP Safety Banquet on March 31, 2023.

Note: The CAWP/H2AP Safety Award represents heavy, highway, railroad and utility work performed within the 33 counties of western Pennsylvania.

National AGC Safety Awards (NASA) Program

The AGC of America's National AGC Safety Awards (NASA) program provides AGC members an opportunity to evaluate their safety record. Participating contractors receive a confidential printout to compare their company's safety statistics with similar size and type AGC contractor members both locally and nationally. Safety awards are given to members who have a zero-incident rate or who have an incident rate 25 percent below each occupational division's average. Awards will be delivered in the spring of 2023.

Note: The AGC NASA program is for AGC/CAWP members only. If you are unsure of your membership status, submit the electronic form and CAWP will determine eligibility.

To Participate in One or Both Safety Awards Programs

PLEASE SUBMIT THIS FORM by **February 1, 2023.**

Beat the Winter Blues with CAWP in Atlantis

The 2023 CAWP Annual Meeting will be held February 13-17, 2023 at Atlantis, Paradise Island, Bahamas – you can't afford to miss it!

TOP THREE REASONS WHY YOU AND YOUR EMERGING LEADERS SHOULD ATTEND:

1. Investing in yourself and in your top talent is an important step to build a strong foundation for your organization's future.
2. Inviting your emerging leaders to participate in and contribute to the larger industry conversation will help propel them to a new level.
3. Reward and recharge key members of your team and increase their commitment to your organization.
