## CAWP Labor Agreement 2023 - 2026 Update

As previously reported, the Constructors Association of Western Pennsylvania Labor Committee has reached an agreement on a four-year heavy and highway labor agreement for the years, 2023-2026 with the Carpenters and Pile Drivers Local #274, Cement Masons Local #526, Laborers District Council of Western Pennsylvania, Operating Engineers Local #66 and Teamsters Joint Council #40.

**Please be advised that the new wages/fringes have been submitted and will start to appear in the project specifications.**

Pilot of  
Youturn Health*

## Upcoming Info Session on the CAWP and MBA Pilot of Youturn Health

**Session Available: January 25 at 2:00p EST**

The Constructors Association of Western PA has teamed up with Master Builders' Association to pilot a program offering mental health solutions to our members and their employees.

Presented By: Rich Jones, Chief Clinical Officer at Youturn Health

Youturn Health is a virtual program that bridges the gap between inaction and seeking treatment by making support accessible to users grappling with stress, anxiety, depression, or suicidal ideation, wherever they are in their journey.

## Boost Your Company's Competitive Edge at the CAWP Student Estimating Competition

The Seventh Annual CAWP Student Estimating Competition will be held February 10 & 11, 2023 at the Regional Learning Alliance in Cranberry Township, PA. In conjunction with the competition, a career fair will be held on **Saturday, February 11 from noon – 3:00 p.m.** Several Estimating Competition student participant alumni have been hired by CAWP contractors since the event's inception. This year's program again promises to bring together a group of 45 to 60 motivated students from the following schools:

Carnegie Mellon University

Penn State University

Penn State University – Harrisburg

The University of Pittsburgh

The University of Pittsburgh – Johnstown

West Virginia University

**If your company is interested in participating in this career fair**, please contact Erin at [ering@cawp.org](mailto:ering@cawp.org), Jason at [jasonk@cawp.org](mailto:jasonk@cawp.org), or call the Association at 412-343-8000.

**GET  
RECOGNIZED  
for your  
Company's  
SAFETY  
ACHIEVEMENTS**

## **Safety Awards Programs – Get Recognized for Your Company's Safety Achievements**

Plan to submit your company's safety statistics for both the CAWP/H2AP Safety Awards and the AGC NASA Safety Awards programs in January. The entry forms were combined so that you submit only one form. Most of the information comes from your company's 2022 OSHA Form 300A.

### ***CAWP/H2AP Safety Awards Program***

The CAWP/H2AP Safety Awards program recognizes companies for their safe work performance in western Pennsylvania during the 2022 season. The award is an opportunity to receive well-deserved recognition from your peers in the industry. Awards are based on each company's Lost Workday Incidence Rate. Awards will be presented at the annual CAWP/H2AP Safety Banquet on March 31, 2023.

*Note: The CAWP/H2AP Safety Award represents heavy, highway, railroad and utility work performed within the 33 counties of western Pennsylvania.*

### ***National AGC Safety Awards (NASA) Program***

The AGC of America's National AGC Safety Awards (NASA) program provides AGC members an opportunity to evaluate their safety record. Participating contractors receive a confidential printout to compare their company's safety statistics with similar size and type AGC contractor members both locally and nationally. Safety awards are given to members who have a zero-incident rate or who have an incident rate 25 percent below each occupational division's average. Awards will be delivered in the spring of 2023.

*Note: The AGC NASA program is for AGC/CAWP members only. If you are unsure of your membership status, submit the electronic form and CAWP will determine eligibility.*

### ***To Participate in One or Both Safety Awards Programs***

Please submit by **February 1, 2023**.

## SAFETY AWARD ENTRY FORM

## Call for Lifesaving Award Nominations

Emergency lifesaving situations require the ability and presence of mind to act effectively, swiftly and selflessly. These incidents are few in number but have a common thread linking them together – individuals who make a brave and heroic effort to save a family member, friend, co-worker or stranger.

If your company would like to nominate someone for this award, provide his/her name and a detailed account of the incident on the nomination form. Please submit the form to the CAWP office by **Monday, March 13, 2023**.
