Let Date: July 13, 2023

- North Fayette Township Local Streetscape Enhancements and Improvements Project

Scope of Work: Curb and sidewalk improvements, bicycle and pedestrian trail, and curb ramps

Limits of Work: Between Home Depot Driveway to approximately 200 feet West of Andrew Drive

SR 376-L08 INTERSTATE PAV'T PRESERVATION

Let Date: July 13, 2023

Scope of Work: Resurface wearing course, guide rail updates, signing/pavement marking updates, bridge preservation.

Project Location: SR 224 to the PA Turnpike bridge over the Mahoning River.

Municipality: Union Township

Schedule: Fall 2023 through Summer 2024

SR 376-A72 – PARKWAY EAST BETTERMENT

Let Date: July 13, 2023

Scope: 2" depth mill and resurface of existing asphalt, replace all concrete median barrier, update guiderail and drainage, new signing and pavement markings. Rehabilitation of 9 mainline structures, 1 ramp structure, and 2 overhead structures.

Schedule: September 2023 to December 2024 with most activities happening in spring/summer 2024 with single lane closures.

Limits of Work: SR 376 from Churchill Interchange to Monroeville Interchange

Municipalities: Wilkins Township, Penn Hills Township, Churchill Borough, and Monroeville Borough

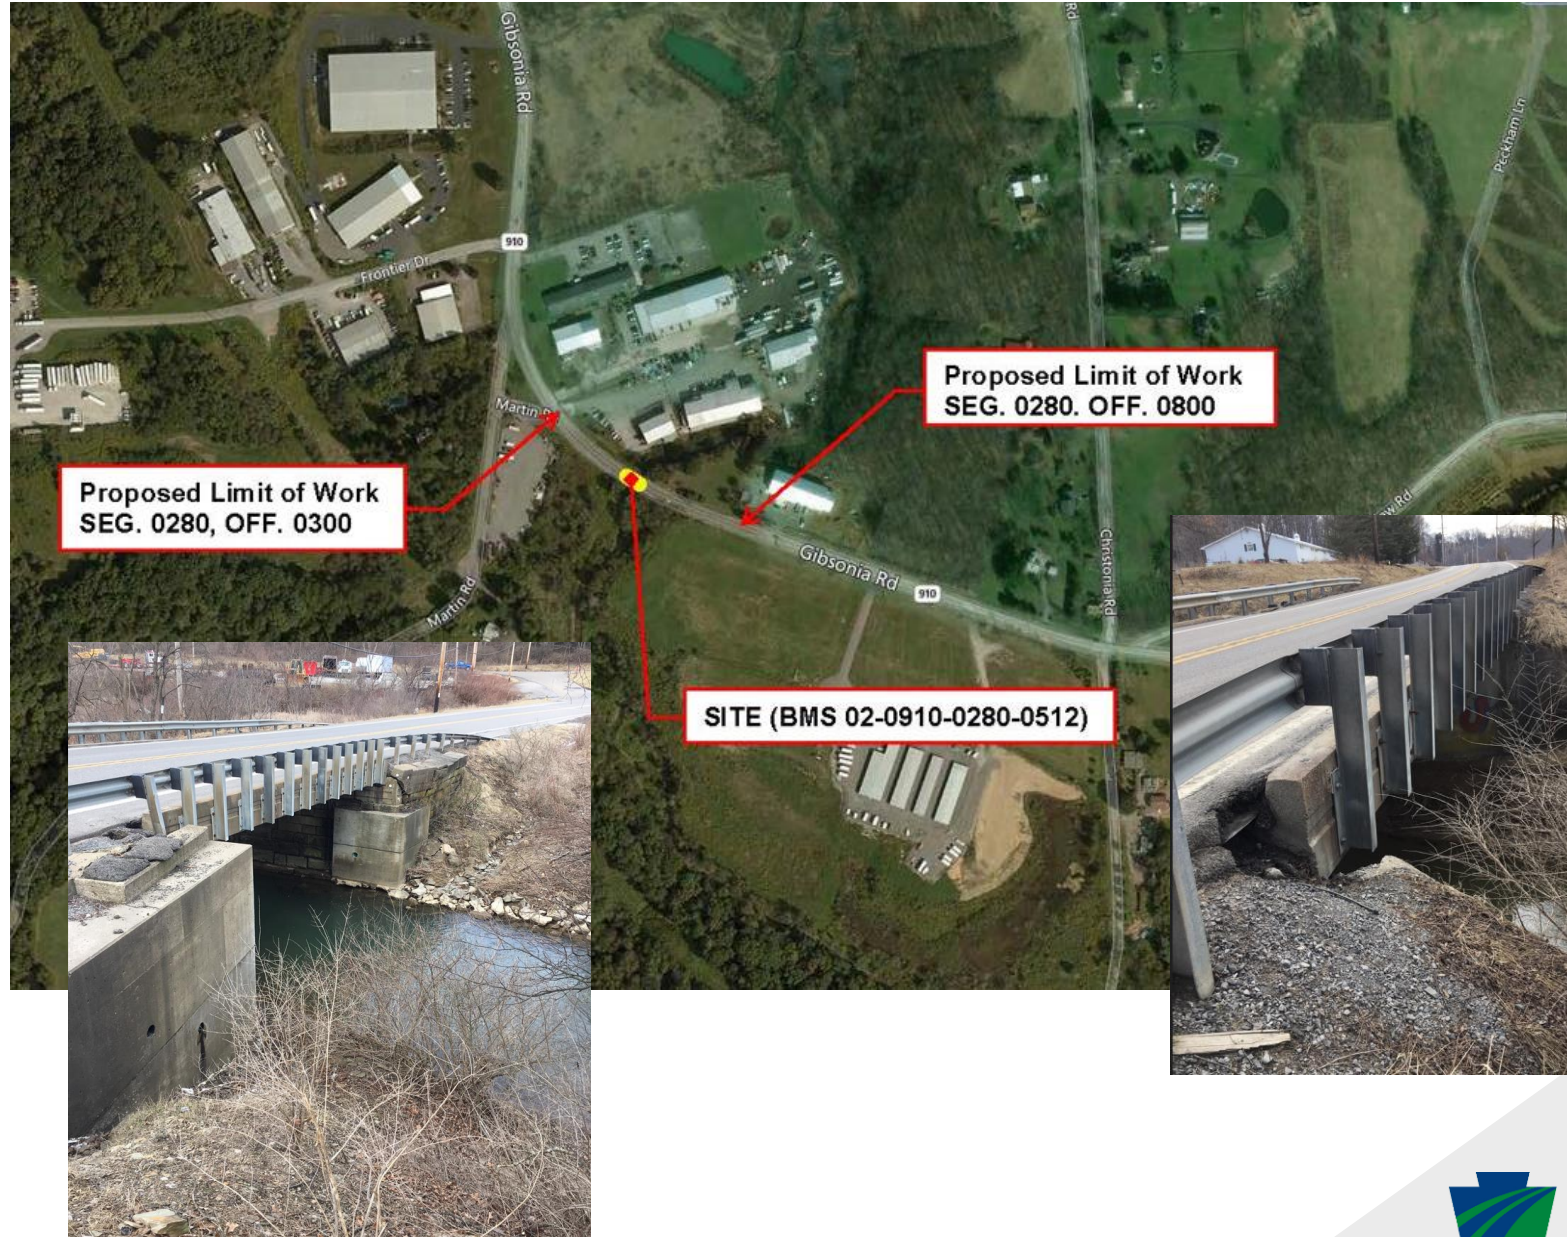

PA 910-A41 OVER DEER CREEK 2

Anticipated Let Date:
July 27, 2023

Scope of Work: Bridge replacement on SR 910 over Deer Creek

Municipality: West Deer Township, Allegheny County

SR 4003–A25 MCKNIGHT ROAD BETTERMENT

Let Date: August 10, 2023

Scope of Work: Resurface wearing course, 4" Milling and Paving, repair/replace barrier and medians, guide rail updates, minor drainage upgrades and cleaning of drainage structures, traffic signal upgrades, ADA curb ramp upgrades, signing/pavement marking updates, bridge preservation of 2 structures.

Project Location: Venture St./East Street in the City of Pittsburgh 5.5 miles to Perrymont Road/ Babcock Blvd. Intersection in McCandless Township

Municipalities: City of Pittsburgh, Ross Township, McCandless Township

Schedule: Construction Spring 2024 through Fall 2024

2023 ADA CURB RAMP PROJECT

Let Date: August 10, 2023

Scope of Work: Design-build project to update concrete curb ramps to current ADA standards along various routes in Allegheny County. Additional work includes minor traffic signal updates, and updates to signing and pavement markings.

Limits of Work:

SR 19: Milroy St to Connie Dr

SR 121: Arden Rd to Greentree Rd

SR 910: Hardt Rd to Ewalt Rd

SR 3005: Winfield St to Gregg Ave

SR 3052: Old Washington Pike to Virginia Mansions Condos

SR 4049: Wexford Bayne Rd

Municipalities: City of Pittsburgh, Ross Township, Richland Township, Franklin Park Borough, Mount Lebanon Township, Scott Township, Bridgeville Borough

Schedule: Fall 2023 through Winter 2024

SR 2040-A23 - LEBANON CHURCH PART 2

Let Date: September 14, 2023

Scope: The proposed work includes widening near Glenburn Drive and Pleasant Hills Boulevard to accommodate new signalized left turn lanes. Similar widening will take place between the SR 51 cloverleaf interchange and Bliss Drive as well as between Keepport Drive and Keenan Drive. The project will also include resurfacing, structure repair (Cloverleaf structure), drainage upgrades, and other miscellaneous work

Limits of Work: Ceco Drive to Broughton Road, approx. 2.0 miles

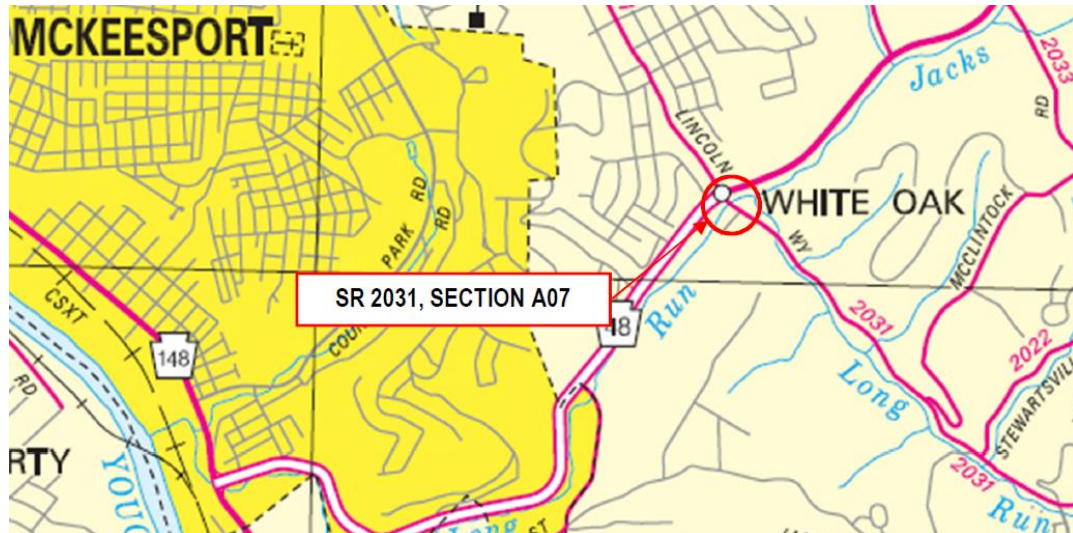

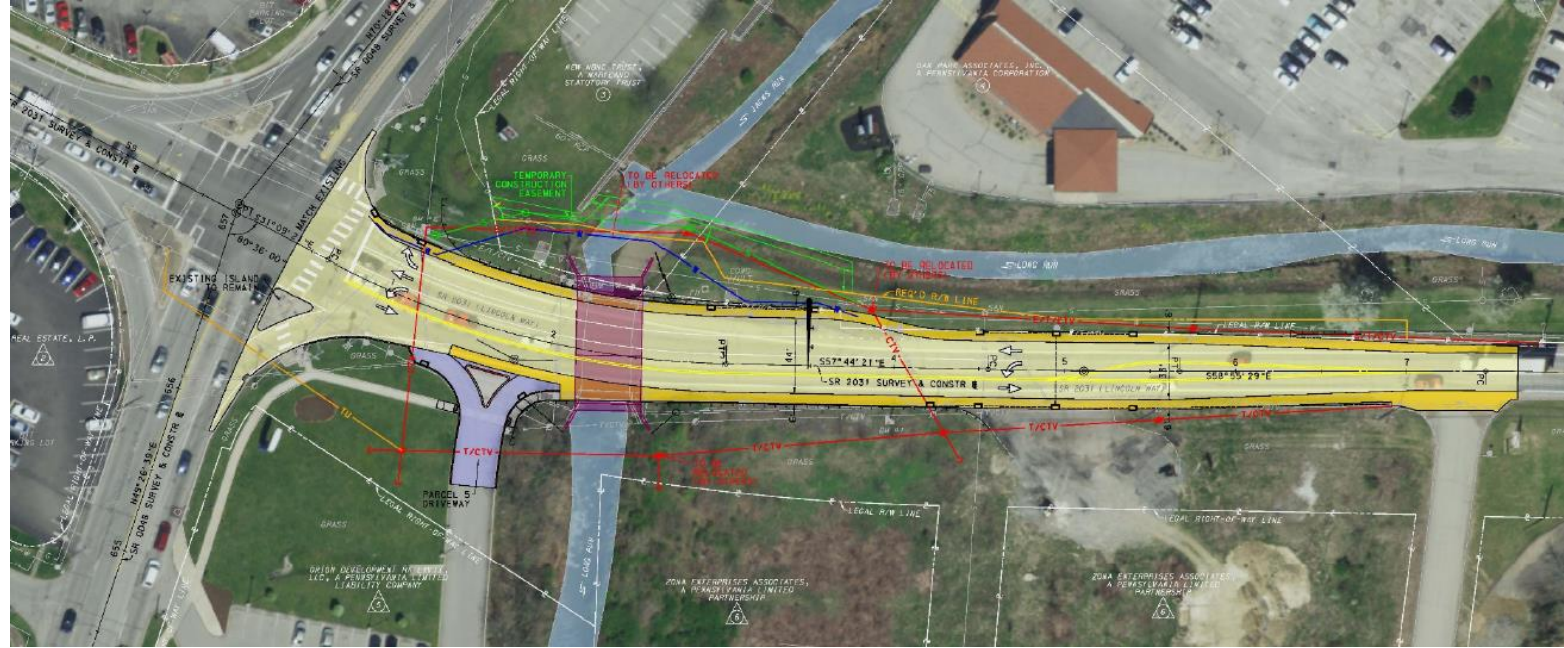

Municipalities: West Mifflin Borough, Baldwin Borough, and Pleasant Hills Borough.
Allegheny County

SR 2031-A07 LINCOLN WAY OVER LONG RUN

Let Date: October 19, 2023

Scope of Work: Full replacement of the existing single span bridge carrying SR 2031 (Lincoln Way) over Long Run. Project also includes roadway approach work, including lengthening existing turning lanes approaching SR 0048, and associated signal modifications. Proposed structure will consist of a precast arch culvert and will be constructed under a full closure and detour, using accelerated construction methods

Limits of Work: SR 2031 (Lincoln Way), just east of the intersection of SR 0048 (Long Run / Jacks Run Road)

Municipalities: White Oak Borough

Schedule: Winter 2023 through 2024 (overall project – specific closure/detour dates to be determined)

SR 0048-A39 JACKS RUN RD OVER BRANCH OF JACKS RUN

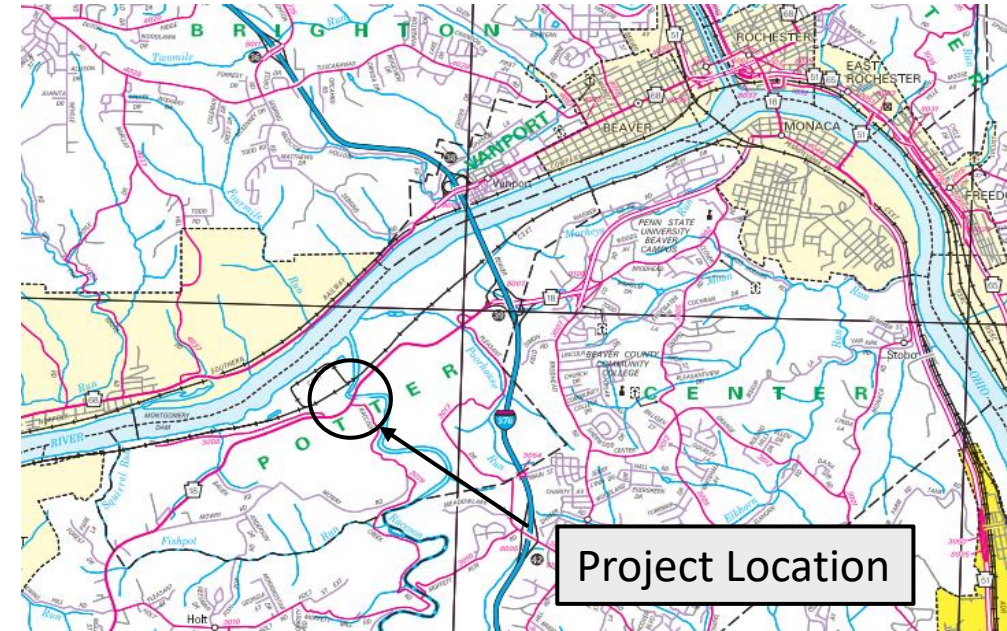

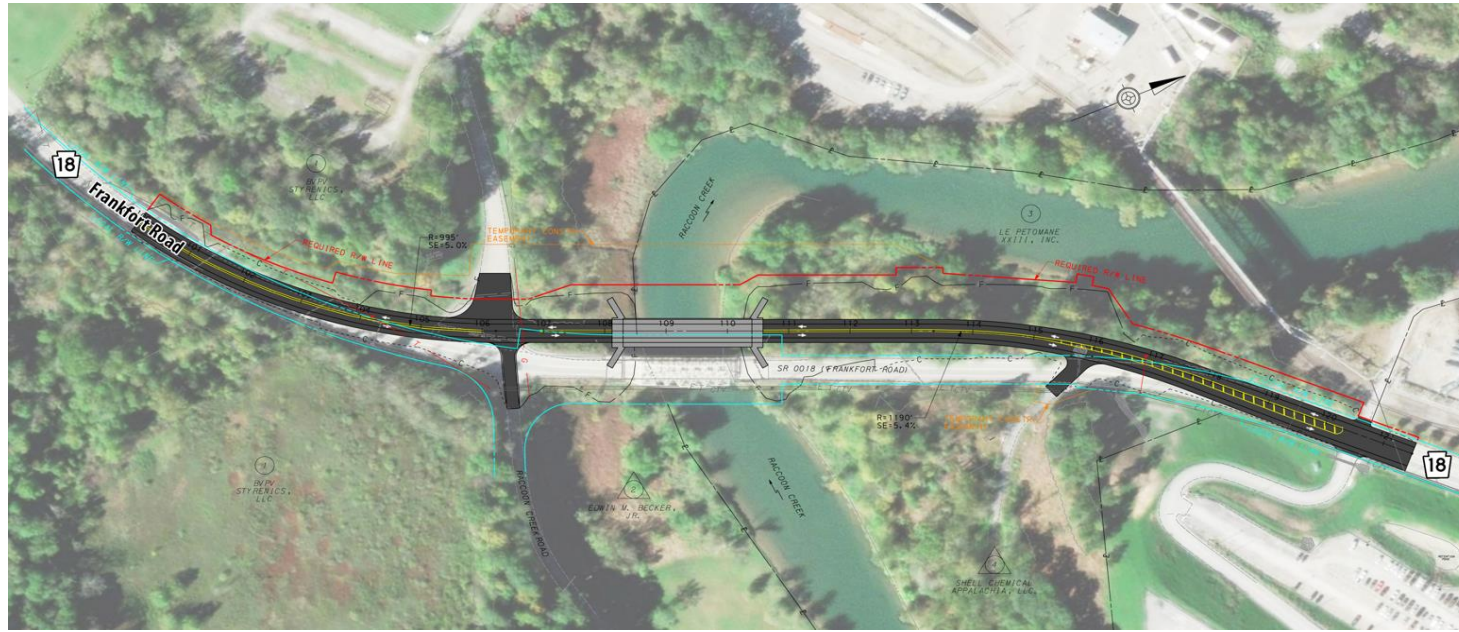

- **Let Date:** October 19, 2023
- **Scope of Work:** Full replacement of the existing single span bridge carrying SR 0048 (Jacks Run Road) over a branch of Jacks Run, along with minimal roadway approach work. Proposed structure will consist of a precast box culvert and will be constructed under a full closure and detour, using accelerated construction methods.

- **Limits of Work:** SR 0048 (Jacks Run Road), just south of the intersection of SR 2035 (McKee Road)
- **Municipalities:** White Oak Borough
- **Schedule:** Winter 2023 through 2024 (overall project – specific closure/detour dates to be determined)

SR 0018-B61 (FRANKFORT ROAD BRIDGE REPLACEMENT)

Let Date: December 7, 2023

Limits of Work: S.R. 0018
over Raccoon Creek near
Raccoon Creek Road

Municipality: Potter Township,
Beaver County

Scope of Work: Bridge replacement on new
alignment (downstream)

Traffic Control: Existing bridge will be
utilized during most of the construction and a
detour will be required for roadway tie-ins

Schedule: FD 2022/2023 and Construction in
Spring 2024 through 2025 (approx.)

SR 0079-A53 CAMPBELL'S RUN TO MOON RUN

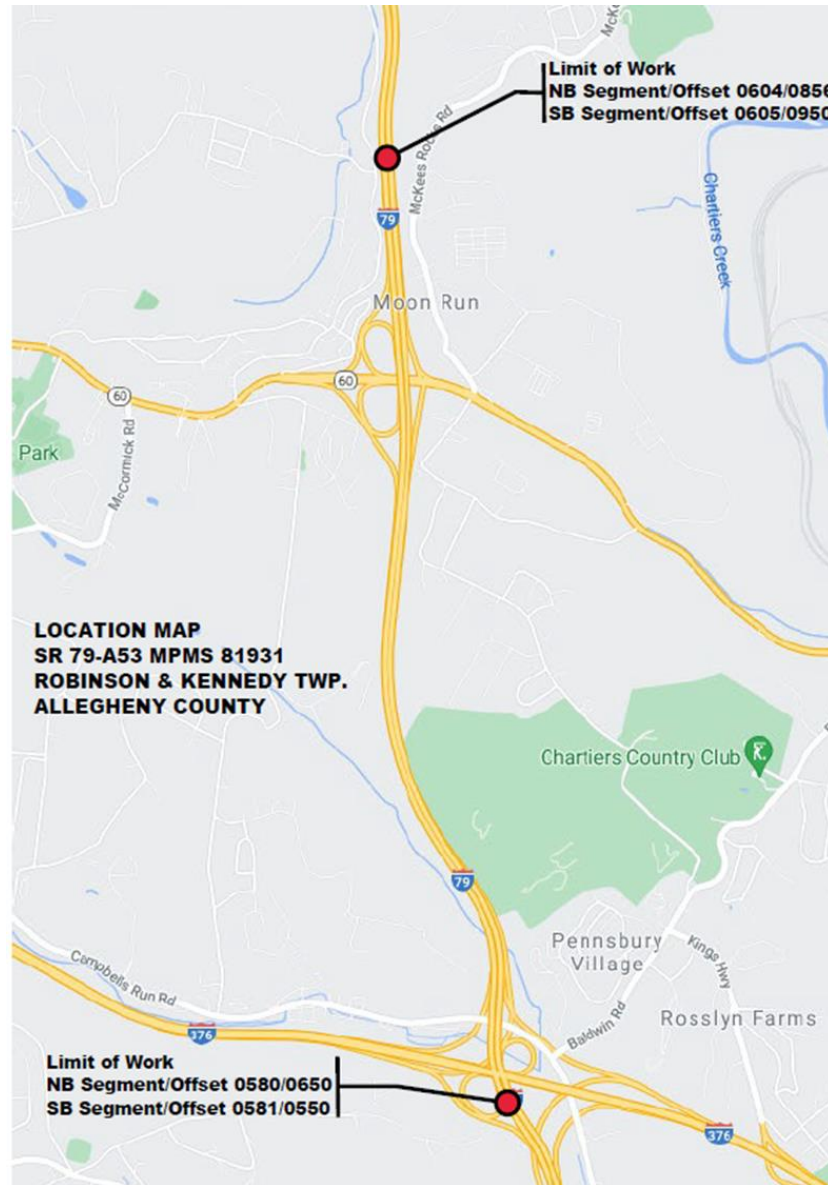

Let Date: December 14, 2023

Scope of Work: Concrete Pavement Restoration (CPR) - concrete pavement patching, partial depth repairs, diamond grinding and joint cleaning & sealing. Structure work to include placing a PPC overlay on the bridge decks and replacement of strip seals and neoprene compression seals.

Limits of Work: Structure over I-376 to approx. 1000 feet north of SR 60 (Moon Run) interchange.

Municipalities: Kennedy & Robinson Townships

Schedule: Spring 2024 to Fall 2024
