CAWP Cares Program Returning

**ORDER
CAWP CARES PACKAGES
FOR YOUR
FIELD WORKERS TODAY!**

for 2023!

The CAWP *Cares* program was designed to show appreciation for and support the physical and mental well-being of field workers. The program's drawstring bag is filled with practical items specifically selected to support your field workers while on and off the job.

There is a nominal charge of \$5.00 per care package, valued at \$20.00. All monies raised through this program will go directly into the Brandon Chaney CLC scholarship fund. Developed in 2008 by the CAWP Constructors Leadership Council (CLC), this scholarship was named in memory of Brandon Chaney, an aspiring third-generation heavy/highway construction professional who died at the age of 16 in an automobile accident. The scholarship is awarded yearly to the top-ranking first-year apprentice in each of the four heavy and highway apprenticeship programs in western Pennsylvania.

Members who sign up for the CAWP *Cares* program will also have a chance to win coffee and donuts delivered to a specified job site by CAWP employees.

Request CAWP Cares packages for your field workers today! Limit 50 packages per company. You will be notified when your care packages are available for pickup at the CAWP office. Should you have questions, or wish to order more, please contact Emily at emilym@cawp.org for more information.
