**ORDER  
CAWP CARES PACKAGES  
FOR YOUR  
FIELD WORKERS TODAY!**

## CAWP Cares Program Returning for 2023!

The CAWP *Cares* program, designed to show appreciation for and support the physical and mental well-being of field workers, is back for 2023!

There is a nominal charge of \$5.00 per care package, valued at \$20.00 - a drawstring bag filled with practical items specifically selected to support your field workers on and off the job. All monies raised through this program will go directly into the Brandon Chaney CLC scholarship fund, annually awarded to the top-ranking first-year apprentice in each of the four heavy and highway apprenticeship programs in western Pennsylvania.

Request CAWP Cares packages for your field workers today! Limit 50 packages per company. You will be notified when your care packages are available for pickup at the CAWP office. Should you have questions, or wish to order more, please contact Emily at [emilym@cawp.org](mailto:emilym@cawp.org) for more information.

## Building the Future Workforce!

As part of CAWP's workforce development initiatives, the

Association, in conjunction with Mascaro Construction, is a financial supporter of a construction storefront at Junior Achievement BizTown in Bridgeville. Last week, CAWP volunteered at JA BizTown with nearly 120 fifth grade students from South Fayette.

JA BizTown combines in-class learning with a day-long visit to a simulated town. This popular program teaches elementary school students to apply for a job, write checks, maintain a cash register, operate banks, manage a business, and vote for mayor, helping students connect the dots between what they learn in school and the real world.

Throughout the spring, volunteers staffed the Construction Storefront to assist student participants with pricing and selling tape measures, managing the store finances, and building a bench.
