

September is Suicide Prevention Month - Yinz Good?

Every year, thousands of construction workers die by suicide. Our industry and our workers are in crisis, and the time to act is now.

September is [Suicide Prevention Awareness Month](#), and CAWP is committed to helping individuals get the help they need and deserve this month and year-round with Yinz Good?, a new mental health initiative founded by CAWP and MBA.

How can you help? Start by asking a simple question: [Yinz Good?](#)

2024 AGC Construction Safety & Health Conference

January 10 - 12, 2024 | Newport Beach, CA

AGC's Construction Safety & Health Conference is the industry's foremost annual conference to hone in on the most critical safety and health compliance and risk issues impacting the business of construction. If your goal is protecting the safety and health of the men and women working in construction, this is the conference for you. The conference provides educational options for attendees through a mixture of plenary and breakout sessions which cover issues in three broad categories:

- Managing safety & health requirements and risk

CONSTRUCTION SAFETY & HEALTH CONFERENCE

All individuals who register for or attend this event, by virtue of their registration or attendance, agree to the Code of Conduct, Image Release, and Event Cancellation policies posted [here](#). **If you have questions, please contact meetings@agc.org.**

- Factoring safety & health concerns into phases of a project
- Expanding your knowledge and skills
