**Annual Sponsorships**  
**Available Now!**

The CAWP Annual Sponsorship Program was designed to maximize member organizations' return on investment and to assist in your budgeting for the upcoming year.

To accommodate different budgets and promotional goals, CAWP has developed four different annual sponsorship levels: Diamond, Ruby,

Emerald, and Sapphire, with varying levels of benefits. All four levels receive visibility on the CAWP website, onsite at events, and on printed event materials. Program participants will also receive priority event registration and complimentary tickets to events throughout the year. There will also be event specific sponsorships available at lower price points throughout the year, for anyone not opting to make an annual commitment.

**All annual sponsorships should be submitted and reserved by November 15, 2023.** Please note: these packages do not include any PAC sponsorships.
