

Make the Holidays Jolly for Area Children in Need!

Join the CAWP CLC in collecting toys for the Salvation Army's Treasures for Children toy drive. The Christmas season can be a difficult time for many people. It is our hope that we can meet or exceed the donation of over 650 toys donated in 2022. Will you help the CLC meet that goal to make a difference for western PA children in need?

Help us support our local communities by participating in this program in the following ways:

- Place a collection bin/box in a common area with a copy of the collection flyer. Feel free to add YOUR corporate logo to the signage to illustrate your company's partnership with the CLC program!
- Communicate the CLC Toy Drive program to employees, family, and friends through flyers, email, paycheck inserts, etc.
- Deliver toys to CAWP, 800 Cranberry Woods Drive, Suite 110, Cranberry Township, PA 16066 on **Thursday, November 30 from 9:00 a.m. to 4:00 p.m. and Friday, December 1 from 9:00 to 11:00 a.m.**

- To make a monetary donation, please make checks payable to Salvation Army. Mail the check to CAWP or drop off during the scheduled donation drop-off times.

Should you have any questions, please contact Emily at emilym@cawp.org or Erin at erins@cawp.org.

TOY DRIVE FLYER

PennDOT Mentor Protege Conference - Westmoreland County

Join PennDOT and APC on October 6, 2023, to learn about PennDOT Districts 10-0, 11-0, & 12-0 opportunities in 2023 for Mentor and Protégé contractor firms.

REGISTRATION

Federal Galley. Pittsburgh Clean Cities will present on EV initiatives in Pittsburgh and beyond and provide details regarding EV incentives available for individuals and organizations in Pennsylvania. The presentation will include information about the newly available National Electric Vehicle Infrastructure grant program, which is providing \$171.5 million in formula funds to Pennsylvania over five years.

PennDOT Concrete Field-Testing Technician Certification Program

PennDOT requires that all testing and sampling of concrete be performed by an individual who is qualified in testing and sampling. This PennDOT Certification program satisfies this requirement.

The following information can be accessed and downloaded at the Northeast Center of Excellence for Pavement Technology (NECEPT) website - superpave.psu.edu

- Publication 536 - Initial Certification & Recertification Requirements and Application Procedures

If you have any questions, contact:
Northeast Center of Excellence for Pavement Technology
PSU - 201 Transportation Research Building, University Park, PA 16802
