# 2023 PENNDOT LETTINGS

## WESTERN VS. EASTERN PENNSYLVANIA

CAWP compiled these statistics from data using the PennDOT ECMS system.

### WESTERN PA DISTRICTS

1

**Counties:** Crawford | Erie | Forest | Mercer | Venango | Warren

**\$212M / 8%**

2

**Counties:** Cameron | Centre | Clearfield | Clinton | Elk | Juniata | McKean | Mifflin | Potter

**\$73M / 3%**

9

**Counties:** Bedford | Blair | Cambria | Fulton | Huntingdon | Somerset

**\$118M / 5%**

10

**Counties:** Armstrong | Butler | Clarion | Indiana | Jefferson

**\$122M / 5%**

11

**Counties:** Allegheny | Beaver | Lawrence

**\$152M / 6%**

12

**Counties:** Fayette | Greene | Washington | Westmoreland

**\$161M / 6%**

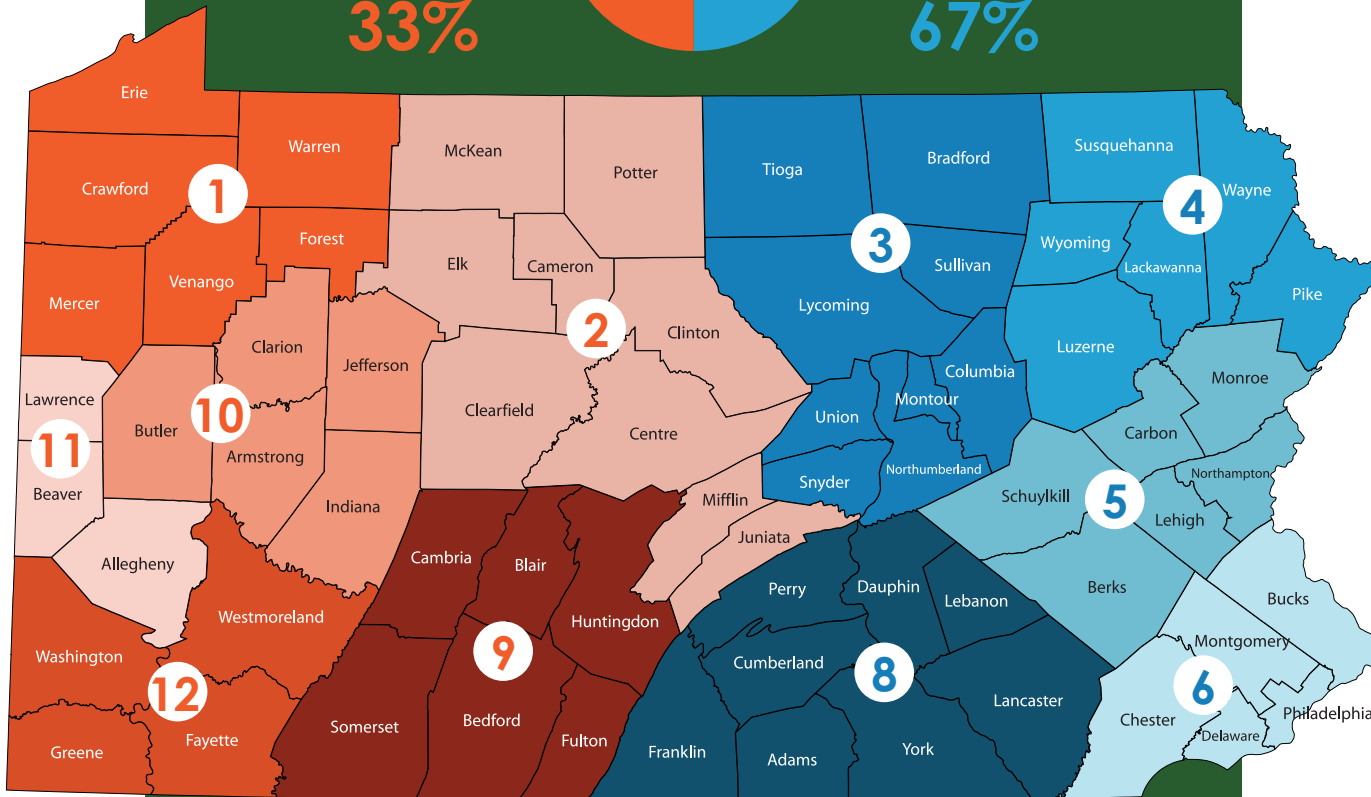

For several years, CAWP has seen a disparity in PennDOT lettings when comparing western versus eastern PA. While there are critical needs for funding across the Commonwealth of Pennsylvania, CAWP believes funding for projects in the east and west should be re-evaluated to achieve a more balanced funding approach between the two regions.
