### CAWP Human Resources & Workforce Best Practices Program

#### **Learn, Share, and Solve HR and Workforce Challenges with the CAWP HR and Workforce Best Practices Program**

CAWP is pleased to announce the second installment of the CAWP Human Resources and Workforce Best Practices Program, showcasing the **WorkBright HR Onboarding Construction Software**.

Following our inaugural session where panelists explored WorkBright as a viable solution to address onboarding challenges, this session will delve deeper into the software's distinctive features and functionality.

**Date / Time:** Wednesday, November 8, 10:00 a.m. – 10:45 a.m.

**Speaker:** Morgan Jernigan, Account Development Representative, WorkBright

#### **Course Topic: WorkBright - Onboarding Construction Software**

- Automated employee and contractor paperwork & certification collection.
- Self-service & simple to use, auto reminders with admin visibility.
- Remote completion of Form I-9 with E-Verify integration.
- Dashboard for task and document expiration tracking with

notifications.

- Complete paperwork 100% from phone with document photo capture & upload.

**Cost:** Free – but must register to confirm spot in course.

**Location:** Zoom (Link will be sent in your confirmation email)

**Audience:** Managers, Supervisors, HR professionals, Company EEO Officers

## REGISTRATION

# Pitt AGC Student Chapter Tours Pittsburgh Airport Modernization Project

CAWP's CLC organized a field trip for the Pitt AGC Student Chapter, to the construction site of the Pittsburgh airport.

The visit aimed to expose students to real-world applications of their academic knowledge, showcase the complexities involved in large-scale infrastructure projects, and further connect with students interested in our industry.

During the trip, students had the opportunity to witness various stages of the construction process, from roadway and bridge work to structural framework, and interior installations. Interactions with professionals allowed students to gain insights into project management strategies, and the importance of adhering to safety regulations in a construction setting.

Thanks to Dan Bruener, Cameron Cogley, Michelle Olszewski and CLC chair

Josh Fetcko, all of Fay S&B USA Construction for their assistance with this project tour.
