## CAWP Issues Report on 2023 Union vs. Non-Union Market Share

CAWP is dedicated to securing favorable labor deals for our contractors. The information provided in this report shows a comparison between union and non-union work conducted in western Pennsylvania in 2023. This data applies to all PennDOT and PA Turnpike projects in the CAWP's 33-county area.

CAWP has created these quarterly reports to share important data with Association members. Previous reports can be viewed [here](#).

## Call for Lifesaving Award Nominations

Emergency lifesaving situations require the ability and presence of mind to act effectively, swiftly and selflessly.

These incidents are few in number but have a common thread linking them together – individuals who make a brave and heroic effort to save a family member, friend, co-worker or stranger.

If your company would like to nominate someone for this award, provide his/her name and a detailed account of the incident on the nomination form. Please submit the form to the CAWP office by **Monday, February 12, 2024**.

NOMINATE

## Volunteers Needed for Operating Engineers Apprentice Interviews

A common issue expressed to the Association is the need to find individuals who can be developed into skilled craft-persons. Annually, each Apprenticeship program tests, interviews, and selects apprentices. We need representatives to assist us in the interview process for Operating Engineers. The interview panel will consist of two Labor and one or two Management representatives. Please consider being on the interview panel or encourage a representative from your company to do so.

**DATES:** February 12 – February 16 & February 19 - February 23  
**TIME:** 8:00 a.m. – 4:30 p.m.  
**LOCATION:** Operating Engineers Local 66 Office – RIDC Park off Route 28 - (111 Zeta Drive, Pittsburgh, PA 15238)

**To participate:** Select any day on the below Volunteer Form, if two individuals have already selected a time slot, please select another one.

*\*If you have any issues with the volunteer form, please contact Erin [erins@cawp.org](mailto:erins@cawp.org) directly to schedule.*

VOLUNTEER FORM

## CAWP, Amerisafe Group Training Initiative

CAWP has teamed up with the Amerisafe Group to broaden the training options available to our valued contractor members. Amerisafe Group offers safety and health training courses that are aligned with industry standards and meet OSHA requirements.

Courses range from trench and excavation, confined spaces, silica, fall protection, and OSHA 10 hour. To view the complete list, as well as member pricing, click the scheduling form below or go to [cawp.org](https://www.cawp.org) (services > safety > training/scheduling form).

### **How to Participate**

Contractors interested in scheduling a course need to complete the scheduling form. Representatives from the Amerisafe Group will be in contact via email/phone to review the requested dates/times and, if necessary, find new dates.

After the course, the contractor will be billed by Amerisafe Group for the reduced amount shown plus any travel fees. Travel fees are billed if distance is greater than 50 miles from Greensburg (No travel fees for training located at CAWP Office). Note, discounted training is only available to CAWP & H2AP Contractor members. The company contact person will be emailed a pdf of certificates noting completion of the CAWP course.

### **Key Benefits of the CAWP-Amerisafe Partnership:**

- Expanded safety and health training opportunities for contractors.
- Flexibility to schedule courses during times that are convenient.
- Control travel costs and save time by offering courses at convenient locations.
- Reduce overall training course costs by up to 50%!

Our industry is rapidly evolving and our training programs and delivery methods needs to adapt as well. This partnership is one example of CAWP's efforts to adapt and to provide our contractors with the flexibility and cost-effective training solutions you need to grow and be safe.

### **Questions?**

For general questions, please contact the Association office at 412-343-8000.

For course specific questions, please contact Del Kubeldis at Amerisafe Group. [dkubeldis@amerisafegroup.com](mailto:dkubeldis@amerisafegroup.com) / 724-216-1180

## Boost Your Company's Competitive Edge at the CAWP Student Estimating Competition

The Seventh Annual CAWP Student Estimating Competition will be held February 23 & 24, 2024 at the Pittsburgh Marriott North in Cranberry Township, PA.

In conjunction with the competition, a career fair will be held on Saturday, February 24 from noon – 3:00 p.m. Several Estimating Competition student-participant alumni have been hired by CAWP contractors since the event's inception.

This year's program again promises to bring together a group of 60 to 70 motivated students from the following schools:

**Bucknell University**

**Carnegie Mellon University**

**Penn State University**

**Penn State University – Harrisburg**

**The University of Pittsburgh**

**The University of Pittsburgh – Johnstown**

**West Virginia University**

If your company is interested in participating in this career fair, please contact Erin at [erins@cawp.org](mailto:erins@cawp.org), Jason at [jasonk@cawp.org](mailto:jasonk@cawp.org), or call the Association at 412-343-8000.

## AGC Fall Prevention Training – Register Today!

---

AGC of America, supported by a Susan Harwood Federal Training Grant, is pleased to offer a one-day Fall Prevention in Construction safety training in Pittsburgh. Attendees will receive course materials (hardcopy and usb stick) and a completion certificate with continuing education credits (0.8 IACET CEUs).

### Why Training is Needed:

- Construction workers make up approximately 5% of the country's workforce but account for an average of 19% of all job-related fatalities each year.
- Falls are the leading cause of death of construction workers.
- Falls accounted for an average of 372 construction fatalities, per year, over the last 10 years.
- Fall protection violations continue to be the most frequently cited OSHA standard.

### Topics:

- Fall Protection Statistics
- OSHA Standards for Fall Protection
- How to Identify Fall Hazard Locations
- Selection and Criteria of Fall Protection Systems and Equipment
- Fall Protection Training Requirements

**Date/Time:** Tuesday, March 12, 2024 8:00 a.m. – 5:00 p.m.

**Location:** CAWP, 800 Cranberry Woods Drive, Suite 110, Cranberry Twp, PA 16066.

**Cost:** There is no cost for this training. Light breakfast & lunch included.
