2024 Upcoming Safety, Education & Training

Register today for these upcoming training sessions at the CAWP office. Visit cawp.org for additional details.

Crisis Response Workshop – March 4 (9 a.m. – 11 a.m.)

A crisis can happen at any time. It's important to remember that things happen unexpectedly and can easily escalate, catching us off guard if we are not adequately prepared. CAWP has developed a crisis response workbook and materials to prepare your company for an unexpected crisis.

Flagger Train-the-Trainer - March 8 (8 a.m. to 12 p.m.)

Train-the-Trainer course will assist contractors in complying with PennDOT's mandatory flagger training specifications. Instructor Chris Zivkovich will cover both flagging procedures and adult learning concepts.

Cost: \$75 - includes training verification card and a flash drive with training materials

AGC Fall Prevention Training – March 12 (8 a.m. to 5 p.m.)

One-day Fall Prevention in Construction safety training from AGC of America, supported by an OSHA federal training grant. This program will cover fall protection statistics, OSHA standards for fall protection, how to identify fall hazard locations, selection and criteria of fall protection systems and equipment, and fall protection training requirements.

REGISTRATIONS

5K Run and Walk to Support Military, Veterans, First Responders

The Association recently met with representatives from Aurelius, a non-profit mental health and performance training program located near Pittsburgh, Pennsylvania. The company's focus is to help active military, veterans and first responders suffering from depression and PTSD overcome their psychological obstacles and achieve exceptional post-traumatic growth. The Aurelius team consists of mental health professionals, naturopathic doctors, exercise and human performance specialists, and wilderness adventure guides who collaborate closely to offer a 12-week long, hands-on, and cost-free program.

On April 28, Aurelius is hosting its First Annual 5K Run and Walk at North Park - 10301 Pearce Mill Rd, Allison Park, PA 15101. If you and your company are interested in supporting this important program that helps our military,

veterans, and first responders, please consider participating in this event.

Water Reliability Plan Contractor Information Session

The Pittsburgh Water and Sewer Authority is pleased to host this contractor information session that will focus on construction opportunities for the Aspinwall Pump Station, Bruecken Pump Station, and the Clearwell Bypass projects. These projects are a critical phase of our Water Reliability Plan, a series of once-in-a-generation improvements to modernize, add redundancy, and strengthen our water infrastructure. The anticipated bid release for these projects is Summer 2024. Contractors will have the opportunity to hear more details about the projects and network with other firms.

Regional, local, and MWDBE contractors are strongly encouraged to attend.

Date: March 20, 2024 | Pittsburgh, PA

Time: 9:00 am - 11:00 am

Location: David L. Lawrence Convention Center

1000 Fort Duquesne Blvd., Pittsburgh, PA 15222
