

CTC Students Tour Mosites Construction Project

On Thursday, March 28, CAWP accompanied 35 students from the Connellsville Career & Technology Center on a field trip to Mosites Construction Company's Crawford Avenue Bridge project.

A special thank-you goes to Brian Gilkey, Jim Richter, Mike Rhoads and Matt Sever, all of Mosites Construction Company, and to Mark Shepler from the Operating Engineers.

If your organization would like to sponsor a student field trip, please contact the Association office.

CAWP Safety Training

Traffic Control Courses Scheduled

Traffic Control Technician (TCT) - An introduction to temporary traffic control in work zones for individuals who work in the field installing and removing traffic control devices. The course provides concepts, techniques and practice exercises in the installation and maintenance of traffic control devices.

Traffic Control Supervisor (TCS) - Designed to train those who will be actively involved in designing or setting up and maintaining temporary traffic control in a work zone. It moves from the concepts and techniques taught in the TCT course to the implementation of traffic control plans and techniques for installation and removal.

These are ATSSA-delivered courses; questions related to course certification can be found at: atssa.com/training-certification/certification-recertification/ or contact customerservice@atssa.com or call 540-376-3873.

ALL CLASSES:

Location: CAWP, 800 Cranberry Woods Drive, Suite 110, Cranberry Township, PA 16066.

Times: Class times are from 8:00 a.m. – 4:30 p.m.

Traffic Control Technician / PA State Specific (ATSSA) – April 9

**Traffic Control Supervisor / PA State
Specific (ATSSA) – April 10-11**

CAWP, Amerisafe Group Training Initiative

CAWP has teamed up with the Amerisafe Group to broaden the training options available to our valued contractor members. Amerisafe Group offers safety and health training courses that are aligned with industry standards and meet OSHA requirements.

Courses range from trench and excavation, confined spaces, silica, fall protection, and OSHA 10 hour. To view the complete list, as well as member pricing, click the scheduling form below or at cawp.org (services > safety > training/scheduling form).

Questions?

For general questions, please contact the Association office at 412-343-8000.

For course specific questions, please contact Del Kubeldis at Amerisafe Group.

SCHEDULING FORM

Work Zones are **temporary.**
Actions behind the wheel can last **forever.**

2024 National Work Zone Awareness Week
April 15-19, 2024

Our industry actively supports the National Work Zone Awareness Week and participates in outreach efforts to educate the traveling public about dangers of driving through work zones.

National Work Zone Awareness Week (NWZAW) is a national public awareness campaign that spreads the message that we are all responsible for work zone safety.

This year's NWZAW is April 15-19, 2024 and the theme is "**Work Zones are temporary. Actions behind the wheel can last forever.**"

Learn more by visiting [CAWP's National Work Zone Awareness Week](https://www.nwzaw.org/) webpage.
