CAWP Safety Training

Traffic Control Courses Scheduled

Register Now for these Upcoming Courses!

Traffic Control Technician (TCT) - An introduction to temporary traffic control in work zones for individuals who work in the field installing and removing traffic control devices. The course provides concepts, techniques and practice exercises in the installation and maintenance of traffic control devices.

Traffic Control Supervisor (TCS) - Designed to train those who will be actively involved in designing or setting up and maintaining temporary traffic control in a work zone. It moves from the concepts and techniques taught in the TCT course to the implementation of traffic control plans and techniques for installation and removal.

These are ATSSA-delivered courses; questions related to course certification can be found at: atssa.com/training-certification/certification-recertification/ or contact customerservice@atssa.com or call 540-376-3873.

ALL CLASSES:

Location: CAWP, 800 Cranberry Woods Drive, Suite 110, Cranberry Township, PA 16066.

Times: Class times are from 8:00 a.m. – 4:30 p.m.

Traffic Control Technician / PA State Specific (ATSSA) – April 9

Traffic Control Supervisor / PA State Specific (ATSSA) – April 10-11

Help AGC and HCSS Improve Highway Work Zone Safety by Completing the 2024 Highway Work Zone Safety Survey by Friday, May 10

AGC and Survey Partner HCSS Will Use Survey Results to Urge Motorists to Be Careful During the Summer Travel Season

AGC of America and its survey partner, [HCSS](#), are asking all highway and transportation members help improve work zone safety by completing this brief [survey](#). AGC wants to collect information on the number, severity, impacts and potential solutions to highway work zone crashes. The results of this survey will be used for a media and public education campaign launched the week before Memorial Day to encourage motorists to be more careful in work zones.

Please take a few minutes to complete this important highway work zone safety survey **by May 10th**.

Contact Brian Turmail at 703-459-0238 or brian.turmail@agc.org with any questions, comments or concerns about this survey and AGC's plans to use it to promote highway work zone safety.

SURVEY

Work Zones are **temporary**.
Actions behind the wheel can last **forever**.

2024 National Work Zone Awareness Week
April 15-19, 2024

Our industry actively supports the National Work Zone Awareness Week and participates in outreach efforts to educate the traveling public about dangers of driving through work zones.

National Work Zone Awareness Week (NWZAW) is a national public awareness campaign that spreads the message that we are all responsible for work zone safety.

This year's NWZAW is April 15-19, 2024 and the theme is "**Work Zones are temporary. Actions behind the wheel can last forever.**"

Learn more by visiting [CAWP's National Work Zone Awareness Week](#) webpage.
