# MENTAL HEALTH **MINUTE**

**YINZ  
GOOD?**

September is National Suicide Prevention Month and National Recovery Month.

This month is a time to raise awareness about suicide prevention, share messages of hope, and remember the lives lost to suicide. It is also a time to increase public awareness surrounding mental health and addiction recovery.

The Substance Abuse and Mental Health Services Administration (SAMHSA) offers resources and insight for raising awareness and guidance on how you can help.
