

Route 318 Emergency Bridge Replacement Project Completed

On October 4, 2024, PennDOT, along with contractor Mekis Construction, marked the completion of the emergency project to replace the Route 318 bridge over I-376 in Mercer County.

Steven Reed, President/CEO of Mekis Construction, Brian McNulty, PennDOT District 1 Executive, and Michael Carroll, PennDOT Secretary of Transportation spoke at the event. The bridge reopened nine months after it was struck in December 2023 by the boom of a truck traveling on I-376, causing it to close due to damage to three beams and a hole in the deck.
