

CAWP Safety Bulletin #05-25

May 1, 2025

TO: CAWP Contractor Members and H2AP Contractors

FROM: Jason Koss, Director of Industry Relations

Construction Safety Week – May 5-9

Join CAWP and industry partners for Construction Safety Week on May 5-9 with a single aim: to inspire everyone in the industry to be leaders in safety.

Safety Week is an opportunity to work together and celebrate the incredibly hard work by people in our industry who make safety the foundation of everything they do.

Bring Safety Week to your company. Here you can access and download all of the tools and resources you'll need to get started on your week, including tips, best practices and all of the Safety Week materials to support your events and communication.
