ICYMI: CAWP Issues Work Zone Incident Report

Work zone safety is a shared responsibility across all stakeholders in the transportation industry. With this data, we aim to provide greater visibility into the frequency and severity of work zone incidents while reinforcing the critical importance of the safety protocols implemented daily by our contractors to protect their workforce.

Travel Time Traps: What Every Employer Needs to Know

Join us on Monday, June 2, 2025, for the fifth installment of the CAWP HR and Workforce Best Practices Program. This engaging seminar features Brian Shire, a Partner at SWB Law and is focused on providing answers to the most common questions asked by contractors about travel time.

Course topics include:

- Compensability of Travel Time under the Fair Labor Standards Act and the Pennsylvania Wage and Hour Laws
- Understanding the Portal-to-Portal Act
- Travel Time Between Job Sites during the Workday
- Employees Traveling Out of Town for Work
- Employee who is a Passenger and Not Driving

The program is free, but you must register to confirm a spot in the course.

MENTAL HEALTH
MINUTE

**YINZ
GOOD?**

May is Mental Health Awareness Month. While every mental health journey is unique, the strength found within each person's story is universal. This year's theme, "In Every Story, There's Strength," highlights the resilience and diverse experiences that shape mental health journeys within our community.

The National Alliance on Mental Health (NAMI) offers guidance and resources to help change the conversation around mental health.

NAMI: Mental Health Awareness Month
