## Upcoming Safety Conferences (JARI, MASHA, & GOSH)

CAWP annually promotes upcoming safety conferences where safety professionals and others can gather to share insights, strategies, and best practices in the field of safety management. These conferences offer the following to our region:

- Topics on a variety of pertinent safety and health topics
- Exhibitor and vendor areas to showcase the latest safety and health products and services
- Networking with industry professionals
- Safety students from our region's universities looking for internship / career opportunities
- Continuing education credits (CEUs)

Register today to gain valuable knowledge and resources that will drive positive change in your workplace.
