## CAWP Highlights Future Road Builders Apprenticeship Readiness Course at Build On 2025

Last Thursday, October 30, and Friday, October 31, CAWP showcased the Future Road Builders Apprenticeship Readiness Course at the 2025 Build On- Careers in the Construction Industry event. Approximately 3,600 students from area school districts and career and technical centers attended the expo hosted by the Builders Guild of Western Pennsylvania at the David L. Lawrence Convention Center.

CAWP members, including Mascaro Construction, Plum Contracting, Swank Construction Company, and Trumbull Corporation, also participated in the event, speaking with students about careers in the industry.

Representatives from the Laborers, Operating Engineers, Carpenters, and Cement Masons were on hand to provide students with hands-on demonstrations and apprenticeship and career information.

Thank you to our members who joined us at Build On and made it a success. To see highlights from this year's event, take a look at our photo gallery!
