

CAWP WEEKLY

CONSTRUCTORS
ASSOCIATION
OF WESTERN PENNSYLVANIA

#48-25
December 1, 2025

THIS WEEK:

Eat, Drink, & Be Merry at the CAWP CLC Toy Drive!

We're collecting toys for the CAWP CLC Toy Drive this Thursday and Friday!

If you are planning to drop off donations during the collection times, be sure to allow time to eat, drink, and be merry.

The CAWP office will serve as Santa's workshop on **Thursday, December 4th, from 9 AM to 4 PM**, and on **Friday, December 5th, from 9 to 11 AM**. The festivities will include refreshments, music, and fun!

Not sure what toys to buy?

While any toy donation will bring joy, if you'd like some ideas, our CLC Amazon Wish List offers suggested toys that ship directly to the Association office- no drop off needed!

Register Today: 2025 IRISE Stormwater Symposium at University of Pittsburgh

The Impactful Resilience Infrastructure Science & Engineering (IRISE) Consortium is hosting the 2025 IRISE Stormwater Symposium at the University of Pittsburgh on December 4, 2025. This symposium will focus on stormwater management, maintenance, transportation infrastructure, and all relevant stormwater topics.

Students and professionals engaged in water and transportation are welcome! Professional Development Hours will be available. Coffee, light breakfast, and lunch will be provided.

[Learn More & Register](#)

The poster has a dark blue background with a cityscape and bridges over a river. The text 'IRISE STORMWATER SYMPOSIUM' is at the top. Below it, 'University of Pittsburgh', 'December 4, 2025', and '9:00-3:00' are listed. A paragraph describes the symposium's focus. At the bottom, there is a registration link and logos for the Pittsburgh Water Collaboratory and PITT IRISE.

FREE December Webinar: Introducing E-Verify+

Learn about how E-Verify+ brings you a fully digital Form I-9 and verification process, how to get started in your E-Verify account, and the steps for employers and employees to create and manage cases. This webinar is useful for current and prospective E-Verify users who access E-Verify through a web browser, and HR professionals. This webinar is eligible for 1 professional development credit through SHRM and HRCI.

Please note: E-Verify+ is not yet configured to work with employer agents and web services providers (third-party software providers), so these groups will continue to use traditional E-Verify. Check the E-Verify website for information on future E-Verify+ system enhancements.

Search the Apprenticeship Readiness Course Candidate Dashboard

Now you can find the right person for your organization and easily search for candidates who have taken the Apprenticeship Readiness Course. These participants are interested in a career in the highway construction trades and reside in western Pennsylvania.

Within the candidate's profile, you'll find applicable equipment experience, certifications, training or vocational school attendance, and more.

To access the Candidate Dashboard, visit the link and enter the password for full access!

Password: frbarcdashboard2025

How to Use the Dashboard

Did you use the Candidate Dashboard from the Apprenticeship Readiness Course to hire recently?

Please answer this brief survey to let us know if you've recently hired someone from the list of candidates. This information will help guide and offer insight for future workforce development tools.

MENTAL HEALTH *MINUTE*

**YINZ
GOOD?**

It's easy to get swept up in the parties and feasts that accompany the holiday season, but they can also strain your waistline and tax your arteries. Over these five to six weeks, by eating just 200 extra calories a day, you could pack on two to three pounds.

While you don't need to eat only boring foods or deprive yourself, Harvard Health offers 12 tips for mindful eating and smart cooking that can help you enjoy the season without adding "go on a diet" to your New Year's resolutions!
