## Pitt-Johnstown and Slippery Rock Students Visit Carpenters Training Center

On Thursday, March 5, the AGC Student Chapters from the University of Pittsburgh at Johnstown and Slippery Rock University toured the Carpenters Training Center in Pittsburgh.

Training Coordinator Alex Fulton led the tour, giving students an inside look at the facility and the training program that prepares skilled carpenters for careers in construction.

Experiences like this help expose students to the many facets of the western Pennsylvania construction industry and provide valuable insight into the skilled trades.
